2.0 MARKET ANALYSIS	10
Introduction	10
Underlying foreign travel market	10
<i>The number of overseas trips grew steadily between 2015 and 2019.....</i>	<i>10</i>
<i>... with average trips per capita out of Canada still far ahead of the US.....</i>	<i>10</i>
<i>The US accounts for a still dominant but decreasing share of Canada's outbound travel.....</i>	<i>12</i>
<i>...with France overtaking the UK as the most popular European destination</i>	<i>12</i>
Market for travel insurance and assistance	13
<i>Growth in travel insurance premiums has outpaced that of outbound travel.....</i>	<i>13</i>
<i>... with cover for domestic trips a not insignificant part of the market.....</i>	<i>13</i>
<i>... and with group benefits schemes making annual policies relatively important</i>	<i>13</i>
<i>Travel insurance policies bought in Canada are typically more expensive than those in the US</i>	<i>13</i>
Distribution through travel trade, transportation and financial organisations	16
Summary of organisations researched.....	16
Provision rates	17
<i>The travel trade itself is likely to be a primary distribution channel for travel insurance and assistance.....</i>	<i>17</i>
Operating models	18
<i>... with most initiatives arranged via a single external underwriter</i>	<i>18</i>
Competitor share of partnerships – travel trade entities	21
<i>One provider controls over a half of partnerships with travel trade entities.....</i>	<i>21</i>
<i>... and its share is even higher when measured in weighted terms.....</i>	<i>21</i>
Competitor share of partnerships – transportation organisations	23
<i>A number of insurers hold relationships with airlines flying to and from Canada.....</i>	<i>23</i>
<i>... with RBC Insurance gaining by far the highest weighted share.....</i>	<i>23</i>

TRAVEL INSURANCE AND ASSISTANCE IN CANADA

Competitor share of partnerships – financial organisations	25
<i>Distribution relationships with banking institutions and other insurers are comparatively fragmented.....</i>	<i>25</i>
<i>A number of insurance brands sell white-labelled travel insurance policies</i>	<i>25</i>
<i>Manulife and Canassurance Hospital Service Association claim the highest weighted shares in this field.....</i>	<i>26</i>
Travel insurance and assistance linked to payment cards and bank accounts.....	28
Other distribution channels	30
<i>Alternative distribution channels for travel cover are important in Canada</i>	<i>30</i>
Automotive clubs.....	30
<i>...including the major regional automotive clubs.....</i>	<i>30</i>
Direct distribution by specialist travel insurers.....	30
<i>...along with many specialists selling policies directly.....</i>	<i>30</i>
Online aggregators and brokers	31
<i>Kanetix operates several online brands that offer travel insurance comparisons.....</i>	<i>31</i>
<i>... and various brokers are also influential in this field.....</i>	<i>31</i>
Retailers	31
<i>On major retail group remains active as an affinity distributor but one has withdrawn from the market</i>	<i>31</i>
Other types of distributor	32
Leading competitors.....	33
<i>Manulife is likely to be a clear leader by premiums in the Canadian travel insurance sector.....</i>	<i>33</i>
<i>...with a market share that is probably double that of its closest competitor.....</i>	<i>33</i>
<i>RBC Insurance and RSA also claim substantial market shares.....</i>	<i>33</i>
<i>... and the Co-operators Group benefits from its relationship with Allianz Global Assistance</i>	<i>33</i>
<i>Underwriters outside of the top ten account for around 9% to 12% of total premiums.....</i>	<i>34</i>
Forecasts.....	35
Underlying foreign travel market.....	35
<i>Further growth in outbound travel is likely through to 2023.....</i>	<i>35</i>
Market for travel insurance and assistance.....	37
<i>... which should lead to continuing expansion in the market for related insurance and assistance.....</i>	<i>37</i>
