

# TABLE OF CONTENTS

<b>0.0 EXECUTIVE SUMMARY .....</b>	<b>1</b>
<b>1.0 INTRODUCTION .....</b>	<b>3</b>
What is this series of reports about? .....	3
<i>The research provides data about the market for accident and health cover in both a standardised format ...</i> .....	3
<i>... and in country-specific formats .....</i>	3
<i>... with affinity and corporate partner distribution schemes also investigated in detail .....</i>	3
Rationale .....	3
<i>Across the ten countries in scope, premiums amounted to almost EUR 169.5 billion in 2016 ...</i> .....	3
<i>... breaking down into a number of clearly defined segments in each country .....</i>	4
Methodology .....	4
External data sources .....	4
Primary research program .....	4
Market data analysis .....	5

Finaccord .....	8
<b>2.0 EUROPEAN OVERVIEW .....</b>	<b>9</b>
Introduction .....	9
Market size, growth and segmentation .....	10
Regional overview .....	10
<i>Steady growth has seen the combined market climb to a value of almost EUR 170 billion in 2016 .....</i>	10
Accident insurance .....	11
<i>Germany is Europe's largest market for accident insurance although growth there is minimal ...</i> .....	11
<i>... with more progress having been made in France, Poland and the UK .....</i>	11
<i>As a weighted average across ten nations, just over 50% of accident cover is sold on an individual basis .....</i>	13
<i>... with personal (non-sport) cover the dominant segment .....</i>	16
<i>... ahead of occupational and sport-related accident insurance .....</i>	16
Health insurance .....	19
<i>Compulsory purchase of health insurance drives the vast market value of three countries .....</i>	19
<i>Health insurance premiums have been growing most rapidly in Poland .....</i>	19
<i>The split between cover bought on an individual basis and through group schemes varies by country .....</i>	20
<i>Taken together, premiums for dental and health / hospital cash cover are worth almost EUR 10 billion ...</i> .....	22
<i>... although medical expenses insurance is by far the largest segment overall .....</i>	23
<i>... and is ranked first by value of premiums in all countries other than Belgium .....</i>	23
Distribution .....	26
Affinity and corporate partnerships .....	26
<i>2,245 affinity and corporate partner organisations have been included in Finaccord's research .....</i>	26
<i>... and over 40% of them offer at least one type of accident or health cover .....</i>	26
<i>Over 30 insurance brands offer at least one form of 'white-labelled' accident or health cover .....</i>	27
<i>Well over 50% of sports associations act as affinity partners for these types of insurance .....</i>	27
<i>Retailer affinity programs are much rarer but several important brands are active in this sphere .....</i>	28

## ACCIDENT AND HEALTH INSURANCE IN EUROPE

Forecasts .....	29
Overview .....	29
<i>Steady growth in total premiums is predicted up to 2020</i> .....	29
<i>... with accident and health cover likely to expand at similar rates</i> .....	31
<b>3.0 BELGIUM .....</b>	<b>34</b>
Introduction .....	34
Market size, growth and segmentation .....	35
Overview .....	35
<i>Health insurance premiums have outgrown those for accident insurance in recent years</i> .....	35
<i>Most accident and health cover sold in Belgium takes the form of group business</i> .....	36
<i>Mutual insurers underwrite a significant proportion of the Belgian health insurance market</i> .....	38
<i>... due to mandatory payments to them by individuals residing and working in Belgium</i> .....	38
Accident insurance .....	39
<i>Occupational accident insurance is the largest category within the market for accident insurance</i> .....	39
<i>... while premiums for group personal (non-sport) accident cover have been rising most rapidly</i> .....	39
Health insurance .....	42
<i>Premiums for individual medical expenses insurance grew most rapidly between 2012 and 2016</i> .....	42
<i>... while those in the smaller market for dental insurance have made the least progress</i> .....	42
Distribution .....	45
Overview .....	45
<i>Accident and health cover is mostly distributed directly by both commercial and mutual insurers</i> .....	45
Affinity and corporate partnerships .....	45
<i>Accident insurance is marketed through partnerships more often than the various types of health cover</i> .....	45
<i>... which is partly a consequence of the substantial number of schemes set up with sports organisations</i> .....	46
<i>Most programs not dealt with internally are placed with a single, external underwriter</i> .....	47
<i>Sports insurance specialist Arena and DKV hold the highest share of partnerships</i> .....	48
<i>... followed by AG Insurance and Ethias</i> .....	48
Key competitors .....	50
<i>A number of brokers are likely to be strong as intermediaries of accident and health insurance</i> .....	50
Forecasts .....	50
Overview .....	50
<i>Further steady growth is predicted for the Belgian accident and health insurance market up to 2020</i> .....	50
<b>4.0 FRANCE .....</b>	<b>54</b>
Introduction .....	54
Market size, growth and segmentation .....	55
Overview .....	55
<i>The total market value increased by almost EUR 5 billion in premiums between 2012 and 2016</i> .....	55
<i>... with individual business outpacing group business by a narrow margin</i> .....	56
<i>Three types of institution compete in the French health insurance market</i> .....	57
<i>... among which mutual insurers account for the highest share of premiums</i> .....	58
Accident insurance .....	59
<i>Personal (non-sport) accident insurance is the largest category of France's market for accident insurance</i> .....	59
<i>... and occupational (non-sport) accident insurance the second-largest</i> .....	59
Health insurance .....	62
<i>The health insurance market in France consists almost entirely of medical expenses cover</i> .....	62
<i>... with just a handful of low-cost health or hospital cash plans in evidence</i> .....	62
<i>New regulations concerning health insurance provision in the workplace have come into effect</i> .....	62
Distribution .....	65
Overview .....	65
<i>Multiple distribution channels are used to promote accident and health insurance in France</i> .....	65
<i>... including a number of online comparison sites</i> .....	65

## ACCIDENT AND HEALTH INSURANCE IN EUROPE

Affinity and corporate partnerships .....	65
<i>Accident insurance is marketed through partnerships more often than the various types of health cover</i> .....	65
<i>Most banks and specialised lenders are active as distributors of accident or health insurance</i> .....	66
<i>Captive underwriters are comparatively prominent as partners of distributor organisations</i> .....	68
<i>... although, overall, partnerships are spread across a very wide range of different providers</i> .....	68
<i>Generali introduced Vitality's wellness-based health insurance concept to France at the start of 2017</i> .....	69
Key competitors .....	70
<i>The health insurance is a great deal more fragmented than the market for accident insurance</i> .....	70
<i>... with AXA, Groupama, Groupe Istya and Union Harmonie Mutuelles among the market leaders</i> .....	70
Forecasts .....	70
Overview .....	70
<i>Premiums for accident insurance will rise at more than double the rate of those for health insurance</i> .....	70
<i>... with those for group personal accident insurance likely to advance most rapidly</i> .....	72
<b>5.0 GERMANY .....</b>	<b>74</b>
Introduction .....	74
Market size, growth and segmentation .....	75
Overview .....	75
<i>The combined market for accident and health insurance has delivered little growth in recent years</i> .....	75
<i>... and is composed primarily of individual business</i> .....	76
<i>Germany's health insurance market breaks down into numerous segments</i> .....	78
<i>... among which supplementary long-term care insurance has expanded most rapidly</i> .....	78
Accident insurance .....	79
<i>Most accident cover takes the form of personal (non-sport) accident insurance sold on an individual basis</i> .....	79
<i>... with occupational and sport-related cover representing relatively small segments of the market</i> .....	79
Health insurance .....	82
<i>The vast majority of the value of German market is composed of medical expenses insurance</i> .....	82
<i>... although the country's market for dental cover is Europe's largest</i> .....	82
<i>A significant proportion of daily health cash cover is due to income protection policies</i> .....	82
Distribution .....	85
Overview .....	85
Affinity and corporate partnerships .....	85
<i>Over a half of partner organisations researched offer at least one type of accident or health cover</i> .....	85
<i>... with accident insurance available most commonly</i> .....	85
<i>A number of statutory health insurance funds work with external partners for supplementary cover</i> .....	86
<i>DKV underwrites the medical expenses and dental cover distributed by both HDI and Zurich</i> .....	87
<i>UKV holds the most product partnerships for accident and health insurance</i> .....	88
<i>... followed by HanseMerkur, Allianz and DKV</i> .....	88
<i>Partnerships also exist for providers of health assistance services</i> .....	89
Key competitors .....	90
<i>The top ten underwriters account for over 70% of the value of the German health insurance market</i> .....	90
<i>Intermediaries include insurance brokers, comparison sites and specialised online distributors</i> .....	90
Forecasts .....	90
Overview .....	90
<i>The value of the total market will continue to edge up in nominal terms between 2016 and 2020</i> .....	90
<i>... with travel-related accident and health cover expanding most rapidly</i> .....	92
<b>6.0 IRELAND .....</b>	<b>94</b>
Introduction .....	94
Market size, growth and segmentation .....	95
Overview .....	95
<i>The Irish health insurance market has been expanding at a nominal compound annual rate of over 5%</i> .....	95
<i>... with individual business outpacing group business</i> .....	96
Accident insurance .....	98

## ACCIDENT AND HEALTH INSURANCE IN EUROPE

<i>Personal accident cover sold on an individual basis constitutes the largest market segment</i> .....	98
<i>Sport-related accident insurance accounts for over 10% of the total market for accident insurance</i> .....	98
Health insurance .....	101
<i>The Irish medical expenses insurance market is dominated by three main competitors</i> .....	101
<i>The market for dental cover is small but fast-growing</i> .....	101
Distribution .....	104
Overview .....	104
Affinity and corporate partnerships .....	104
<i>Accident cover is on offer most commonly from affinity and corporate partners</i> .....	104
... <i>including over a half of sports associations researched</i> .....	105
<i>Schemes run by external brokers account around one third of the total</i> .....	106
... <i>with O'Driscoll O'Neil prominent in this context</i> .....	107
Key competitors .....	109
<i>Chubb is likely to be the leader by premiums written in the accident insurance market</i> .....	109
<i>Vhi Healthcare still controls around a half of the health insurance market</i> .....	109
Forecasts .....	109
Overview .....	109
<i>The Irish market for accident and health insurance combined will continue to expand quite swiftly</i> .....	109
... <i>with health insurance continuing to outgrow accident insurance</i> .....	111
<b>7.0 ITALY</b> .....	<b>113</b>
Introduction .....	113
Market size, growth and segmentation .....	114
Overview .....	114
<i>The Italian market for accident and health insurance has struggled to grow in recent years</i> .....	114
... <i>with both individual and group business having declined in real (inflation-adjusted) terms</i> .....	115
Accident insurance .....	118
<i>Group personal (non-sport) accident insurance is the largest category in the Italian market</i> .....	118
... <i>and group occupational (non-sport) accident cover the second-largest</i> .....	118
Health insurance .....	121
<i>Health / hospital cash cover accounts for a significant proportion of the total health insurance sector</i> .....	121
... <i>but stand-alone dental cover is believed to be a niche market, in relative terms</i> .....	121
Distribution .....	124
Overview .....	124
<i>Agents dominate the distribution landscape for both accident and health insurance</i> .....	124
... <i>although the share of brokers may be higher than indicated by official data sources</i> .....	124
Affinity and corporate partnerships .....	124
<i>Accident insurance is marketed through partnerships more often than the various types of health cover</i> .....	124
<i>Over 50% of actual and potential distributors researched offer at least one policy type</i> .....	125
... <i>including a clear majority of the 'casse di previdenza' investigated</i> .....	125
<i>Most affinity programs for accident or health cover are dealt with by a single, external underwriter</i> .....	126
<i>Health insurance specialist UniSalute holds the highest share of partnerships</i> .....	127
... <i>followed by sister company UnipolSai, and then by MetLife, Generali and Allianz</i> .....	128
<i>Europ Assistance has established an innovative partnership with Enel Energia</i> .....	128
Key competitors .....	129
<i>The market for health insurance is more concentrated among underwriters than that for accident insurance</i> .....	129
Forecasts .....	129
Overview .....	129
<i>Weak growth in nominal terms is forecast for accident and health premiums up to 2020</i> .....	129
<b>8.0 NETHERLANDS</b> .....	<b>133</b>
Introduction .....	133
Market size, growth and segmentation .....	134

## ACCIDENT AND HEALTH INSURANCE IN EUROPE

Overview .....	134
<i>The market for health insurance is more than 30 times the value of that for accident insurance .....</i>	134
<i>... with cover sold on a group basis having outgrown that sold individually in recent years.....</i>	135
<i>Almost 90% of the Dutch health insurance is due to basic, universal cover ('basisverzekering') .....</i>	137
Accident insurance .....	138
<i>Occupational group accident insurance is the largest category of the Dutch market for accident insurance .....</i>	138
<i>... and personal (non-sport) group accident insurance the second-largest .....</i>	138
Health insurance .....	141
<i>Rising healthcare costs pushed up medical expenses insurance premiums between 2012 and 2016 .....</i>	141
<i>... and the relatively large market for stand-alone dental cover has also continued to expand .....</i>	141
Distribution .....	144
Overview .....	144
<i>Direct sales by insurers and brokers constitute the principal distribution channels .....</i>	144
<i>... albeit there are also numerous online comparison sites in this market .....</i>	144
Affinity and corporate partnerships .....	144
<i>Accident insurance is marketed through partnerships more often than the various types of health cover .....</i>	144
<i>... which is partly a consequence of the intermediation of sport-related cover by sports organisations .....</i>	145
<i>Most programs not dealt with internally are placed with a single, external underwriter .....</i>	146
<i>Through its various brands, Achmea is a leading provider in a relatively fragmented market .....</i>	147
Key competitors.....	149
<i>... although CZ claims the highest market share for health insurance as an individual legal entity .....</i>	149
<i>... and is ranked second for supplementary health cover, just ahead of VGZ and Menzis.....</i>	149
Forecasts .....	149
Overview .....	149
<i>Premiums for accident insurance are expected to outgrow those for health insurance up to 2020 .....</i>	149
<i>... with the segment of individual sport-related accident cover forecast to expand most rapidly .....</i>	150
<b>9.0 POLAND.....</b>	<b>153</b>
Introduction .....	153
Market size, growth and segmentation .....	154
Overview .....	154
<i>Premiums for health insurance have been outgrowing those for accident insurance .....</i>	154
<i>... but individual and group business have been advancing at similar rates.....</i>	155
<i>Accident and health cover in Poland is most frequently underwritten by life insurers.....</i>	157
Accident insurance .....	158
<i>Occupational cover is the largest category in Poland's market for accident insurance .....</i>	158
<i>... and personal (non-sport) accident insurance the second-largest.....</i>	158
Health insurance .....	161
<i>Group medical expenses insurance is the largest category within the Polish health insurance market .....</i>	161
<i>... the size of which is limited by the parallel market for prepaid medical subscriptions.....</i>	161
Distribution .....	164
Overview .....	164
<i>A majority of accident and health business is likely to be distributed by insurance agents and brokers.....</i>	164
Affinity and corporate partnerships .....	164
<i>Close to a quarter of distributors investigated have a scheme for one type of accident or health cover .....</i>	164
<i>... and these include close to a half of banking institutions researched .....</i>	165
<i>Schemes dealt with by external partners are usually established directly with the ultimate underwriter(s) .....</i>	166
<i>AXA holds the most product partnerships for accident and health insurance .....</i>	167
<i>... followed by InterRisk and PZU .....</i>	167
Key competitors.....	169
<i>The leading intermediaries of accident and health cover are likely to be Aon, EKU and Gras Savoye .....</i>	169
<i>... and also include mfind and ZDROWIE Direct in the market for policies bought by individuals.....</i>	169
Forecasts .....	169

## ACCIDENT AND HEALTH INSURANCE IN EUROPE

Overview .....	169
<i>The market for group health insurance is likely to expand most rapidly up to 2020...</i> .....	169
<i>... with group medical expenses insurance the main driver in this context</i> .....	171
<b>10.0 SPAIN.....</b>	<b>173</b>
Introduction .....	173
Market size, growth and segmentation .....	174
Overview .....	174
<i>Health cover makes up close to 90% of the total market value for accident and health insurance</i> .....	174
<i>Individual business has been outgrowing group business by a fairly wide margin</i> .....	175
<i>The bulk of the market is composed of 'asistencia sanitaria' policies</i> .....	177
Accident insurance .....	178
<i>Individual personal accident insurance is the largest category in Spain's market for accident insurance</i> .....	178
Health insurance .....	181
<i>Individual and group medical expenses insurance dominate the market for health insurance</i> .....	181
<i>The Spanish market for stand-alone hospitalisation insurance is a relatively small one</i> .....	181
Distribution.....	184
Overview .....	184
<i>Accident and health insurance policies in Spain are mostly sold directly to consumers</i> .....	184
Affinity and corporate partnerships .....	184
<i>Accident insurance is commonly marketed through affinity and corporate distribution partners</i> .....	184
<i>... among which over 55% of those researched offer at least one form of cover</i> .....	185
<i>Most programs are placed with a single, external underwriter</i> .....	186
<i>Casero holds the most distribution partnerships among the organisations researched</i> .....	187
<i>... followed by MAPFRE, Sanitas, ASISA and SegurCaixa Adeslas</i> .....	187
<i>AXA has held a relationship with the Asociación de Futbolistas Españoles since June 2014</i> .....	188
Key competitors.....	189
<i>By premiums, SegurCaixa Adeslas leads the field in both accident and health insurance</i> .....	189
<i>Some competitors (such as IMQ in the Basque Country) are strong in particular regions</i> .....	189
<i>The leading intermediaries are likely to be the largest commercial lines insurance brokers</i> .....	189
Forecasts .....	189
Overview .....	189
<i>The market value is expected to continue growing steadily up to 2020...</i> .....	189
<i>... with individual health / hospital cash cover thought likely to advance most rapidly</i> .....	191
<b>11.0 SWITZERLAND.....</b>	<b>193</b>
Introduction .....	193
Market size, growth and segmentation .....	194
Overview .....	194
<i>The combined accident and health insurance market in Switzerland is growing at a moderate pace</i> .....	194
<i>... with individual business outpacing group business</i> .....	195
<i>The two largest segments in the Swiss accident insurance are for types of compulsory cover</i> .....	197
Accident insurance .....	198
<i>Personal accident cover makes up close to 90% of the total market value in Switzerland</i> .....	198
<i>... with occupational and sport-related cover relatively small in comparison</i> .....	198
Health insurance .....	201
<i>Dental insurance accounts for around 5% of the total market for health insurance in Switzerland</i> .....	201
<i>Health and hospital cash plans exist as even more of a niche segment</i> .....	201
Distribution.....	204
Overview .....	204
Affinity and corporate partnerships .....	204
<i>Affinity and corporate partners are most likely to act as distributors of medical expenses insurance</i> .....	204
<i>Well over a third of organisations investigated distribute at least one type of accident or health cover</i> .....	205

## ACCIDENT AND HEALTH INSURANCE IN EUROPE

<i>Just over a half of product initiatives identified are dealt with by external underwriters</i> .....	206
<i>Helsana holds the most product partnerships in this field, followed by SWICA and CSS</i> .....	207
Key competitors.....	209
<i>... and these are also the leading underwriters of supplementary health cover</i> .....	209
<i>Intermediaries are comprised of insurance brokers and online comparison sites</i> .....	209
Forecasts.....	209
Overview.....	209
<i>The Swiss market for accident and health insurance will continue to expand at a modest rate</i> .....	209
<i>... with niche segments generally expected to advance more rapidly than larger ones</i> .....	211
<b>12.0 UK</b> .....	<b>213</b>
Introduction.....	213
Market size, growth and segmentation.....	214
Overview.....	214
<i>Premiums for accident insurance have been outgrowing those for health insurance</i> .....	214
<i>... and group business has been outpacing individual business</i> .....	215
Accident insurance.....	217
<i>Group occupational accident insurance is the largest category of the UK's market for accident insurance</i> .....	217
<i>... and group personal (non-sport) accident insurance the second-largest</i> .....	217
<i>The UK hosts one of the largest markets in Europe for sport-related accident insurance</i> .....	217
Health insurance.....	220
<i>The vast majority of the value of the UK market is composed of medical expenses insurance</i> .....	220
<i>... although dental insurance and group health / hospital cash cover have been rising most rapidly</i> .....	220
Distribution.....	223
Overview.....	223
<i>Accident and health insurance in the UK is sold through a diverse range of distribution channels</i> .....	223
Affinity and corporate partnerships.....	223
<i>Almost a half of 294 partner organisations researched offer at least one type of accident or health cover</i> .....	223
<i>... with accident insurance available most commonly</i> .....	223
<i>Participation rates vary greatly from one partner category to another</i> .....	224
<i>Almost half of all programs are placed with a single, external underwriter</i> .....	225
<i>Specialised intermediaries hold the most product partnerships for accident and health insurance</i> .....	226
<i>... with HMCA and Parliament Hill especially prominent in this context</i> .....	226
<i>Aviva, AXA PPP, Bupa and Cigna are the most prominent major underwriters in this analysis</i> .....	227
Key competitors.....	228
<i>Around 60 insurers are active in different segments of the UK's market for accident and health cover</i> .....	228
<i>... and there are also numerous intermediaries</i> .....	228
<i>... comprising both multiline and specialist brokers</i> .....	228
<i>... including at least eight of the latter that are focused on sport-related insurance</i> .....	228
Forecasts.....	229
Overview.....	229
<i>Premiums for group occupational (non-sport) accident cover are forecast to expand most rapidly</i> .....	229
<i>... with those for individual sport accident cover also thought likely to rise comparatively quickly</i> .....	231
