

# TABLE OF CONTENTS

<b>0.0 EXECUTIVE SUMMARY .....</b>	<b>1</b>
<i>Europe's commercial non-life insurance market was worth over EUR 130 billion in premiums in 2015.....</i>	<i>2</i>
<i>...and increased in real terms in ten countries between 2011 and 2015.....</i>	<i>3</i>
<i>Brokers constitute the most important distribution channel for commercial lines in most markets .....</i>	<i>4</i>
<i>More than a quarter of the EUR 11.54 billion commercial non-life broking market is derived from the UK.....</i>	<i>5</i>
<i>Between 2011 and 2015 brokers' revenues grew more rapidly in Turkey than in any other country .....</i>	<i>6</i>
<i>The top three broking groups hold a combined market share of almost 35% across the region.....</i>	<i>6</i>
<i>Brokers are expected to increase their commercial lines distribution share in 16 out of 20 countries.....</i>	<i>7</i>
<i>... which will mean that the associated broking market will rise, even stated in real terms, in 18 countries.....</i>	<i>7</i>
<b>1.0 INTRODUCTION .....</b>	<b>9</b>
What is this report about? .....	9
<i>The focus is uniquely on commercial non-life (P&amp;C) insurance, excluding other types of business.....</i>	<i>9</i>
<i>...and on brokerage, even where intermediaries can act as both agents and brokers .....</i>	<i>9</i>
Rationale.....	9
<i>In many countries, brokers constitute the most important distribution channel for commercial lines.....</i>	<i>9</i>
Methodology .....	10
Research program .....	10
Market data analysis.....	10
Definitions .....	11
Premiums .....	11

<b>2.0 EUROPEAN OVERVIEW .....</b>	<b>14</b>
Commercial non-life insurance market .....	14
<i>The European commercial non-life insurance achieved modest growth between 2011 and 2015.....</i>	<i>14</i>
<i>Germany, France and the UK account for more than a half of commercial lines premiums in Europe.....</i>	<i>14</i>
<i>Turkey and Russia registered the sharpest growth rates in nominal terms .....</i>	<i>15</i>
<i>After taking inflation into account, ten markets contracted in real terms.....</i>	<i>16</i>
<i>Property, motor and liability insurance account for more than three quarters of the market.....</i>	<i>18</i>
<i>Across Europe as a whole, commercial motor insurance grew most rapidly between 2011 and 2015.....</i>	<i>19</i>
<i>Across the 20 countries, around EUR 32.8 billion of premiums are paid by micro-sized clients.....</i>	<i>21</i>
<i>... which generate the highest proportion of total commercial lines premiums in Italy .....</i>	<i>21</i>
Commercial non-life insurance brokers .....	23
Overview of brokers' presence in the distribution of commercial non-life insurance .....	23
<i>Brokers distribute more than 60% of commercial lines business in Europe.....</i>	<i>23</i>
<i>... and are most important as distributors of commercial non-life insurance in Ireland and the UK.....</i>	<i>24</i>
<i>Brokers' distribution share increased in 16 of the 20 countries between 2011 and 2015.....</i>	<i>24</i>
<i>UK, France, and Germany are Europe's largest markets in terms of commercial lines broking revenues.....</i>	<i>26</i>
<i>These revenues increased in real terms between 2011 and 2015 in 14 of the 20 countries in scope .....</i>	<i>27</i>
<i>The largest clients generate just under 30% of total commercial lines broking revenues in the 20 countries.....</i>	<i>29</i>
<i>... and over a half of the total in Russia but less than 20% in Italy .....</i>	<i>29</i>
Market concentration .....	31
<i>Germany and Spain feature Europe's least concentrated markets for commercial lines broking.....</i>	<i>31</i>
<i>The top three broking groups account for almost 35% of commercial lines broking revenues.....</i>	<i>33</i>
<i>... and they are nearly always ranked among the top ten brokers in any given country .....</i>	<i>34</i>
Future outlook .....	35

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

<i>The future direction of commercial lines broking revenues is dependent on a number of factors</i> .....	35
<i>... which point to the Turkish market as being the one that will generate the most real growth</i> .....	35
<i>... albeit all but two of the 20 markets should experience growth in real terms from 2015 to 2019</i> .....	36
<i>By 2019, the commercial lines broking market in Europe is likely to be worth around EUR 12.65 billion</i> .....	38
<b>3.0 AUSTRIA</b> .....	<b>41</b>
Introduction.....	41
Regulatory information.....	41
<i>Several professional associations exist for insurance brokers and agents in Austria</i> .....	41
<i>... the largest of which has around 1,000 members</i> .....	41
Commercial non-life insurance market.....	42
<i>Commercial non-life insurance premiums in Austria have risen consistently in recent years</i> .....	42
<i>... both in terms of year-on-year progress and growth across each of the main segments</i> .....	43
<i>Medium-sized customers account for the highest proportion of commercial lines premiums</i> .....	45
Commercial non-life insurance brokers.....	46
Overview of brokers' presence in the distribution of commercial non-life insurance.....	46
<i>Brokers' distribution share in commercial non-life insurance has edged up since 2011</i> .....	46
<i>More than a quarter of commercial lines broking revenues are attributable to one customer segment</i> .....	48
Competitor trends.....	49
<i>The top ten competitors account for nearly 60% of commercial lines broking revenues</i> .....	49
<i>... with GrECo International retaining its leading position in this market</i> .....	49
<i>Aon is ranked second but other international brokers are less prominent</i> .....	49
<i>The increasing concentration in this market has been caused in part by merger and acquisition activity</i> .....	50
<i>If counted together, brokerages owned by Raiffeisen banks would be ranked third</i> .....	50
<i>Commercial lines broking is the principal income generator for all of the top 30 brokers</i> .....	51
<i>... with several deriving over 95% of their revenues from this activity</i> .....	51
International broker networks.....	53
<i>A number of brokers ranked outside of the top 30 are members of international networks</i> .....	53
Future outlook.....	53
<i>Modest growth is forecast for the Austrian commercial lines broking market up to 2019</i> .....	53
<b>4.0 BELGIUM</b> .....	<b>55</b>
Introduction.....	55
Regulatory information.....	55
<i>The number of registered insurance intermediaries has more than halved in recent years</i> .....	55
<i>... although brokers continue to play a key role in commercial lines distribution</i> .....	55
Commercial non-life insurance market.....	56
<i>Commercial non-life insurance premiums in Belgium have been growing at a consistent rate</i> .....	56
<i>... with those for the residual category of other commercial insurance having risen most rapidly</i> .....	57
<i>Customers in the micro segment account for over 30% of total commercial lines premiums</i> .....	58
Commercial non-life insurance brokers.....	60
Overview of brokers' presence in the distribution of commercial non-life insurance.....	60
<i>The distribution share of brokers in commercial lines may have reduced very slightly since 2011</i> .....	60
<i>Customers in the micro segment also generate a significant proportion of broking revenues</i> .....	61
Competitor trends.....	63
<i>The three leading commercial lines brokers in Belgium are far ahead of the fourth-ranked competitor</i> .....	63
<i>... with Marsh having boosted its position through the acquisition of Trade Insure in 2015</i> .....	63
<i>Van Dessel has relinquished control of Bokiau to Alliance Participations</i> .....	63
<i>For only one broker in the top 25 is commercial non-life insurance not the principal source of income</i> .....	64
<i>... and for two of them it is the only activity from which they generate revenues</i> .....	64
International broker networks.....	66
<i>Belgibo, Induver, Van Dessel and Vanbreda Risk &amp; Benefits each belong to more than one network</i> .....	66
Future outlook.....	66
<i>The commercial lines broking market will deliver further steady growth up to 2019</i> .....	66

<b>5.0 CZECH REPUBLIC .....</b>	<b>68</b>
Introduction .....	68
Regulatory information.....	68
<i>Intermediaries can act simultaneously as both agents and brokers.....</i>	<i>68</i>
Commercial non-life insurance market .....	69
<i>In real terms, commercial non-life insurance premiums in the Czech Republic have stagnated.....</i>	<i>69</i>
<i>Premiums split quite evenly across the five categories of insured entity as defined by their size .....</i>	<i>71</i>
Commercial non-life insurance brokers .....	72
Overview of brokers' presence in the distribution of commercial non-life insurance .....	72
<i>The distribution share of brokers in commercial lines is likely to have increased since 2011 .....</i>	<i>72</i>
<i>Almost a quarter of commercial lines broking revenues are attributable to the largest client segment.....</i>	<i>74</i>
Competitor trends .....	75
<i>The acquisition of Insia by Marsh &amp; McLennan Companies has caused the market to consolidate .....</i>	<i>75</i>
<i>RENOMIA is active in several overseas markets as well as the Czech Republic .....</i>	<i>75</i>
<i>Two of the top 20 brokers generate all of their revenues from commercial non-life insurance .....</i>	<i>77</i>
International broker networks.....	79
<i>MAI Insurance Brokers and RENOMIA are both affiliated to five networks .....</i>	<i>79</i>
Future outlook .....	79
<i>The value of the commercial lines broking market is likely to continue growing at a reasonable rate .....</i>	<i>79</i>
<b>6.0 DENMARK .....</b>	<b>81</b>
Introduction .....	81
Regulatory information.....	81
<i>In the vast majority of cases, brokers must be remunerated through fees, not commissions.....</i>	<i>81</i>
Commercial non-life insurance market .....	82
<i>The Danish market for commercial non-life insurance has struggled to grow in recent years .....</i>	<i>82</i>
<i>...with premiums for commercial liability insurance having fallen back most rapidly .....</i>	<i>82</i>
<i>Insured entities in the micro segment generate nearly one quarter of premiums in this market.....</i>	<i>83</i>
Commercial non-life insurance brokers .....	85
Overview of brokers' presence in the distribution of commercial non-life insurance .....	85
<i>Brokers are likely to have increased their distribution share of commercial lines premiums since 2011.....</i>	<i>85</i>
<i>The micro segment contributes much less to brokers' revenues than to commercial lines premiums .....</i>	<i>87</i>
Competitor trends .....	89
<i>The structure of the Danish commercial lines broking market changed little between 2011 and 2015.....</i>	<i>89</i>
<i>Willis Towers Watson is comfortably ahead of its closest competitor.....</i>	<i>89</i>
<i>Commercial lines broking is the most important source of revenue for nine of the top ten brokers.....</i>	<i>90</i>
International broker networks.....	91
<i>Söderberg &amp; Partners Denmark is affiliated to eight different international networks.....</i>	<i>91</i>
Future outlook .....	92
<i>Revenue growth in the commercial lines broking market will be derived from a combination of factors .....</i>	<i>92</i>
<b>7.0 FINLAND .....</b>	<b>94</b>
Introduction .....	94
Regulatory information.....	94
<i>As in some other countries, regulations dictate that brokers are paid through fees, not commissions.....</i>	<i>94</i>
Commercial non-life insurance market .....	95
<i>The Finnish market for commercial non-life insurance was worth over EUR 2 billion in 2015.....</i>	<i>95</i>
<i>... having grown at a fairly consistent rate since 2011 .....</i>	<i>95</i>
<i>Premiums split quite evenly across five categories of insured entity as defined by their size .....</i>	<i>97</i>
Commercial non-life insurance brokers .....	98
Overview of brokers' presence in the distribution of commercial non-life insurance .....	98
<i>While slowly rising, the distribution share of Finnish brokers in commercial non-life insurance remains low .....</i>	<i>98</i>
<i>... and close to a half of their revenues from this activity is due to the largest client category .....</i>	<i>99</i>

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

Competitor trends .....	102
<i>The Finnish commercial lines broking market is a very concentrated one .....</i>	<i>102</i>
<i>... in which several significant acquisitions have taken place in recent years.....</i>	<i>102</i>
<i>Commercial lines broking is the most important source of revenue for all ten of the leading brokers .....</i>	<i>103</i>
International broker networks.....	104
<i>Five of the 15 international networks investigated lack a Finland-based member.....</i>	<i>104</i>
Future outlook .....	105
<i>Between 2015 and 2019, the commercial lines broking market will grow in value by more than a third .....</i>	<i>105</i>
<b>8.0 FRANCE.....</b>	<b>107</b>
Introduction.....	107
Regulatory information.....	107
<i>The number of brokers in France is increasing while the number of agents is in decline .....</i>	<i>107</i>
Commercial non-life insurance market .....	108
<i>Commercial non-life insurance premiums in France have stagnated in recent years .....</i>	<i>108</i>
<i>... with only commercial motor insurance growing in real terms.....</i>	<i>109</i>
<i>One customer segment (as defined by number of employees) accounts for almost 30% of premiums .....</i>	<i>111</i>
Commercial non-life insurance brokers .....	112
Overview of brokers' presence in the distribution of commercial non-life insurance .....	112
<i>Brokers have been successful in increasing their distribution share of commercial lines.....</i>	<i>112</i>
<i>Over a third of commercial broking revenues are attributable to the segment of very large clients.....</i>	<i>114</i>
Competitor trends .....	115
<i>The concentration of the French commercial lines broking market has altered little in recent years... ..</i>	<i>115</i>
<i>... in spite of Willis Towers Watson taking control of Gras Savoye .....</i>	<i>116</i>
<i>Ardian has bought a majority stake in Siaci Saint-Honoré.....</i>	<i>116</i>
<i>Finaxy Group has been the most acquisitive of the larger brokers in France .....</i>	<i>116</i>
<i>Several brokers generate all of their revenues from commercial non-life insurance .....</i>	<i>117</i>
<i>... but others have a more diverse business mix .....</i>	<i>117</i>
International broker networks.....	119
<i>Diot belongs to the most international broker networks .....</i>	<i>119</i>
Future outlook .....	120
<i>The French commercial lines broking market should continue to grow at a modest rate up to 2019.....</i>	<i>120</i>
<b>9.0 GERMANY .....</b>	<b>122</b>
Introduction.....	122
Regulatory information.....	122
<i>There is a clear, long-term trend for an increasing number of insurance brokers in Germany... ..</i>	<i>122</i>
<i>... and a declining number of insurance agents .....</i>	<i>122</i>
<i>... albeit some 'brokers' act more in the manner of multi-tied agents.....</i>	<i>123</i>
<i>Captive brokers owned by large industrial companies are an important feature of the German market.....</i>	<i>123</i>
<i>The Verband Deutscher Versicherungsmakler lays claim to over 600 member firms.....</i>	<i>123</i>
Commercial non-life insurance market .....	123
<i>Commercial non-life insurance premiums in Germany have been growing consistently .....</i>	<i>123</i>
<i>... with those for commercial motor insurance having risen most rapidly .....</i>	<i>124</i>
<i>Premiums split quite evenly across the five categories of insured entity as defined by their size .....</i>	<i>125</i>
Commercial non-life insurance brokers .....	127
Overview of brokers' presence in the distribution of commercial non-life insurance .....	127
<i>In commercial non-life insurance, brokers are gradually eroding the distribution share of agents .....</i>	<i>127</i>
<i>... and are being helped by the introduction of more modern processes, such as e-trading solutions.....</i>	<i>127</i>
<i>Over one third of commercial lines broking revenues are attributable to the largest client segment .....</i>	<i>128</i>
Competitor trends .....	130
<i>Commercial non-life insurance broking in Germany still features a fragmented competitive structure.....</i>	<i>130</i>
<i>... with only the market leader claiming a market share of commercial lines revenues in excess of 10% .....</i>	<i>130</i>
<i>Other brokers ranked in the top ten are characterised by a diverse range of ownership structures.....</i>	<i>131</i>

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

<i>The merger of MRH Group with Trowe will propel the combined entity further up the ranking of brokers</i> .....	132
<i>For a majority of the top 70 competitors, commercial lines broking is their most important activity</i> .....	133
<i>... although several of the largest entities derive very substantial revenues from employee benefits</i> .....	133
<i>Several of the top 70 brokers in Germany specialise in particular sectors or product segments</i> .....	134
International broker networks .....	137
<i>Both Trust Risk Control and unisonBrokers lay claim to multiple broking members in Germany</i> .....	137
Future outlook .....	137
<i>The commercial lines broking market is on track to be worth EUR 2 billion in revenues by 2019</i> .....	137
<b>10.0 IRELAND</b> .....	<b>139</b>
Introduction .....	139
Regulatory information .....	139
<i>Over 450 companies belong to the main association of insurance brokers in Ireland</i> .....	139
<i>... collectively providing employment to over 5,500 individuals</i> .....	140
Commercial non-life insurance market .....	140
<i>Three main segments account for close to 95% of the Irish commercial lines market</i> .....	140
<i>... and these are also the areas of the market that have delivered growth in recent years</i> .....	141
<i>Premiums distribute quite evenly across five categories as defined by client size</i> .....	142
Commercial non-life insurance brokers .....	144
Overview of brokers' presence in the distribution of commercial non-life insurance .....	144
<i>Brokers remain almost entirely dominant as a distribution channel for commercial non-life insurance</i> .....	144
<i>... helping to generate a commercial lines broking market worth more than EUR 150 million in 2015</i> .....	145
Competitor trends .....	147
<i>The combined share of the top three brokers dropped back slightly between 2011 and 2015</i> .....	147
<i>... as several of their competitors ranked from fourth to tenth have been growing more rapidly</i> .....	147
<i>Among indigenous brokers, Arachas and Campion are the most significant in commercial lines</i> .....	148
<i>For a majority of the top 20 competitors, commercial lines broking is their most important activity</i> .....	148
International broker networks .....	150
<i>Several brokers belong to more than one international broker network</i> .....	150
Future outlook .....	150
<i>Stronger growth is forecast for the broking market from 2015 to 2019 than occurred from 2011 to 2015</i> .....	150
<b>11.0 ITALY</b> .....	<b>152</b>
Introduction .....	152
Regulatory information .....	152
<i>There are around 1,600 broking firms among almost 24,000 businesses active in insurance intermediation</i> .....	152
<i>AIBA has amassed around 1,100 broking firms as members</i> .....	152
<i>... and has reached an agreement with the SNA concerning collaboration between brokers and agents</i> .....	153
Commercial non-life insurance market .....	153
<i>The value of the Italian commercial lines market fell by more than EUR 1 billion between 2011 and 2015</i> .....	153
<i>... and only one segment experienced growth, even when expressed in nominal terms</i> .....	155
<i>Clients in the micro segment account for the highest proportion of commercial lines premiums</i> .....	156
Commercial non-life insurance brokers .....	158
Overview of brokers' presence in the distribution of commercial non-life insurance .....	158
<i>Brokers constitute the dominant distribution channel for commercial non-life insurance in Italy</i> .....	158
<i>... although a lot of business that they generate arrives at underwriters via agents</i> .....	158
<i>Almost a half of commercial lines broking revenues is due to customers in the micro and small categories</i> .....	160
Competitor trends .....	161
<i>Two multinational firms dominate Italy's commercial lines broking market</i> .....	161
<i>... with Gruppo Assiteca overtaking Ital Brokers to occupy third position</i> .....	161
<i>Lockton acquired P.L. Ferrari, a specialist P&amp;I and marine insurance broker, in December 2015</i> .....	161
<i>Commercial lines broking is the most important activity for all but one of the top 50 brokers in Italy</i> .....	163
<i>... and for three of them it is their only source of income</i> .....	163
International broker networks .....	165

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

<i>Seven firms ranked outside of the top 50 are members of international broker networks</i> .....	165
Future outlook .....	166
<i>Modest growth is forecast for the Italian commercial lines broking market up to 2019</i> .....	166
<b>12.0 NETHERLANDS</b> .....	<b>168</b>
Introduction .....	168

<i>Regulations concerning commission payments and disclosure requirements have had an impact</i> .....	169
Commercial non-life insurance market .....	169
<i>Commercial non-life insurance premiums in the Netherlands have stagnated in recent years</i> .....	169
... <i>with significant growth having occurred only in the category of commercial liability insurance</i> .....	170
<i>Medium-sized customers account for the highest proportion of commercial lines premiums</i> .....	172
Commercial non-life insurance brokers .....	173
Overview of brokers' presence in the distribution of commercial non-life insurance .....	173
<i>Brokers' distribution share in commercial non-life insurance has changed little since 2011</i> .....	173
<i>Almost 30% of commercial lines broking revenues are attributable to one customer segment</i> .....	175
Competitor trends .....	176
<i>The top three competitors account for over a half of commercial lines broking revenues</i> .....	176
... <i>with Aon more than double the size of its rivals ranked in second and third position</i> .....	177
<i>AEGON is the owner of three brokers ranked in the top 20 in the Netherlands</i> .....	177
<i>Dutch brokers typically maintain a comparatively balanced portfolio of activity</i> ... ..	178
... <i>with almost all active in personal lines and employee benefits as well as in commercial lines</i> .....	178
International broker networks.....	180
<i>A number of brokers ranked outside of the top 30 are members of international networks</i> .....	180
Future outlook .....	180
<i>Modest growth is forecast for the Dutch commercial lines broking market up to 2019</i> .....	180
<b>13.0 NORWAY</b> .....	<b>182</b>
Introduction .....	182
Regulatory information.....	182
<i>There are over 60 registered insurance brokerages active in Norway</i> .....	182
<i>In most cases, brokers are remunerated through fees rather than commissions</i> .....	182
Commercial non-life insurance market .....	183
<i>Commercial lines premiums in Norway grew in each year from 2011 to 2015</i> .....	183
... <i>although growth was weakest in the largest segment, namely MAT insurance</i> .....	183
<i>One segment accounts for over a quarter of commercial non-life insurance premiums</i> .....	185
Commercial non-life insurance brokers .....	186
Overview of brokers' presence in the distribution of commercial non-life insurance .....	186
<i>The value of the commercial lines broking market moved up at a modest rate from 2011 to 2015</i> .....	186
... <i>with over 60% of this sector due to two client segments, as defined by their size</i> .....	188
Competitor trends .....	190
<i>Between 2011 and 2015, Norway's broking market became more concentrated</i> ... ..	190
... <i>and it is led by Aon and Willis Towers Watson</i> .....	190
<i>For only one of the top 15 brokers is commercial lines broking not the main source of revenues</i> .....	191
... <i>and for two of them it is their only activity</i> .....	191
International broker networks.....	192
<i>Norwegian Broker and Quality Broker both belong to more than one international network</i> .....	192
Future outlook .....	193
<i>The distribution share of Norwegian brokers is likely to have edged up further by 2019</i> .....	193
<b>14.0 POLAND</b> .....	<b>195</b>
Introduction .....	195
Regulatory information.....	195

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

<i>The number of insurance intermediaries in Poland has increased quite substantially in recent years</i> .....	195
Commercial non-life insurance market .....	196
<i>The Polish market for commercial non-life insurance has stagnated since 2013</i> .....	196
<i>... albeit growth has been strong for certain classes of business</i> .....	196
<i>Insured entities in the micro segment generate a significant proportion of premiums in this market</i> .....	197
Commercial non-life insurance brokers .....	199
Overview of brokers' presence in the distribution of commercial non-life insurance .....	199
<i>The distribution share of brokers in commercial non-life insurance edged up between 2011 and 2015</i> .....	199
<i>Smaller entities account for a much lower share of commercial lines broking revenues than premiums</i> .....	201
Competitor trends .....	202
<i>The Polish commercial lines broking market remains a fairly fragmented one</i> .....	202
<i>... with the two leaders accounting for only around 20% of revenues in it</i> .....	202
<i>MAK and Nord Partner are the most prominent indigenous brokers</i> .....	203
<i>Most of the leading brokers derive a majority of their revenues from commercial non-life insurance</i> .....	204
International broker networks .....	206
<i>MAI Insurance Brokers and Mentor have been most active in affiliating themselves to broker networks</i> .....	206
Future outlook .....	206

Commercial non-life insurance brokers .....	213
Overview of brokers' presence in the distribution of commercial non-life insurance .....	213
<i>The distribution share of brokers in commercial lines has declined slightly since 2011</i> .....	213
<i>Almost 30% of commercial lines broking revenues are attributable to the largest client segment</i> .....	214
Competitor trends .....	216
<i>The growth of MDS is one factor that is causing the broking market to become more concentrated</i> .....	216
<i>... as it successfully diversifies away from its captive broking origins</i> .....	216
<i>For a majority of the top 15 competitors, commercial lines broking is their most important activity</i> .....	217
International broker networks .....	219
<i>Costa Duarte, F. Rego and Villas-Boas each belong to three international broker networks</i> .....	219
Future outlook .....	219
<i>The commercial lines broking market is unlikely to have expanded much by 2019</i> .....	219
<b>16.0 ROMANIA</b> .....	<b>221</b>
Introduction .....	221
Regulatory information .....	221
<i>Romanian brokers derive the vast majority of their revenues from commissions rather than fees</i> .....	221
Commercial non-life insurance market .....	222
<i>In real terms, the value of the Romanian commercial lines market has diminished in recent years</i> ..	222
<i>... albeit commercial motor insurance premiums have risen</i> .....	222
<i>The five categories of insured entity as defined by size generate roughly equal shares of premiums</i> .....	224
Commercial non-life insurance brokers .....	225
Overview of brokers' presence in the distribution of commercial non-life insurance .....	225
<i>The distribution share of brokers in commercial lines has increased sharply since 2011</i> ..	225
<i>... albeit over 30% of broking revenues are still likely to be due to the largest entities</i> .....	227
Competitor trends .....	228
<i>Destine is the market leader ahead of several multinational or non-indigenous competitors</i> .....	228

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

<i>RENOMIA entered the Romanian market in 2015 following its acquisition of SRBA</i> .....	228
<i>Most of the top 15 firms derive the bulk of their income from a combination of commercial and personal lines</i> ...	230
International broker networks .....	232
<i>MAI Insurance Brokers and RENOMIA adhere to the most networks</i> .....	232
Future outlook .....	233
<i>The outlook for Romania's commercial lines broking market is a relatively positive one</i> .....	233
<b>17.0 RUSSIA</b> .....	<b>235</b>
Introduction .....	235
Regulatory information .....	235
<i>The Central Bank of Russia assumed supervisory authority over the insurance sector in 2013</i> .....	235
<i>The number of registered brokers has decreased somewhat in recent years</i> .....	235
... <i>albeit the distinction between multi-tied agents and brokers has not always been clear</i> .....	236
Commercial non-life insurance market .....	236
<i>In real terms, the Russian commercial lines market has contracted in recent years</i> .....	236
... <i>with the decline having been most acute in the commercial MAT and property segments</i> .....	237
<i>Over a half of premiums are due to clients that are defined as large or very large</i> .....	239
Commercial non-life insurance brokers .....	240
Overview of brokers' presence in the distribution of commercial non-life insurance .....	240
<i>Brokers represent a growing channel for commercial non-life insurance in Russia</i> .....	240
... <i>and they focus mainly on serving larger entities</i> .....	242
Competitor trends .....	243
<i>The broking market is likely to have become slightly less concentrated in recent years</i> .....	243
<i>ICM and Malakut are identifiable as their most prominent indigenous competitors</i> .....	243
<i>Four brokers generate around 90% of their total revenues from commercial lines broking</i> .....	245
International broker networks .....	246
<i>MAI Insurance Brokers and Malakut have signed up as members to the most networks</i> .....	246
Future outlook .....	247
<i>The value of Russia's commercial lines broking market is likely to continue rising up to 2019</i> .....	247
<b>18.0 SPAIN</b> .....	<b>249</b>
Introduction .....	249
Regulatory information .....	249
<i>There are over 3,000 registered insurance brokerages in Spain</i> .....	249
... <i>and the number has not fallen in spite of a declining commercial lines market</i> .....	249
Commercial non-life insurance market .....	250
<i>The Spanish market for commercial non-life insurance reached a five-year low in 2014</i> .....	250
... <i>before picking up somewhat in 2015</i> .....	250
<i>The micro segment generates a significant proportion of total commercial lines premiums in Spain</i> .....	251
Commercial non-life insurance brokers .....	253
Overview of brokers' presence in the distribution of commercial non-life insurance .....	253
<i>The value of commercial non-life insurance broking revenues has fallen back in recent years</i> .....	253
<i>One segment (as measured by client size) accounts for just under 30% of these revenues</i> .....	255
Competitor trends .....	256
<i>The structure of the Spanish commercial lines broking market has changed little since 2011</i> .....	256
... <i>as it remains quite fragmented, especially beyond the top three competitors</i> .....	257
<i>Commercial non-life insurance broking is the main source of revenue for most of the top 30 brokers</i> .....	258
... <i>although some derive significant income from other activities</i> .....	258
International broker networks .....	260
<i>A number of brokers outside of the top 30 in Spain are members of international networks</i> .....	260
Future outlook .....	260
<i>A modest improvement in the market for commercial lines broking is expected by 2019</i> .....	260
<b>19.0 SWEDEN</b> .....	<b>262</b>

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

Introduction .....	262
Regulatory information .....	262
<i>There are over 1,000 registered insurance intermediary firms active in Sweden .....</i>	<i>262</i>
Commercial non-life insurance market .....	263
<i>The Swedish market for commercial non-life insurance grew modestly between 2011 and 2015 .....</i>	<i>263</i>
<i>... with premiums moving up in value across all classes .....</i>	<i>263</i>
<i>Around 68.5% of total premiums are paid by entities in the micro, small and medium segments .....</i>	<i>265</i>
Commercial non-life insurance brokers .....	266
Overview of brokers' presence in the distribution of commercial non-life insurance .....	266
<i>The distribution share of brokers in commercial lines rose quite significantly between 2011 and 2015 .....</i>	<i>266</i>
<i>... and most of their revenues from this activity derive from entities in the large and very large segments .....</i>	<i>268</i>
Competitor trends .....	270
<i>Acquisitions made by Söderberg &amp; Partners have caused the market to consolidate somewhat .....</i>	<i>270</i>
<i>... and have also propelled this firm to a market-leading position in commercial lines .....</i>	<i>270</i>
<i>... even though it derives a majority of its revenues from intermediating other types of insurance .....</i>	<i>271</i>
International broker networks .....	272
<i>Söderberg &amp; Partners has affiliated itself to six international networks .....</i>	<i>272</i>
Future outlook .....	273
<i>In real terms, the broking market is destined to rise at a compound annual rate of 3.0% up to 2019 .....</i>	<i>273</i>
<b>20.0 SWITZERLAND .....</b>	<b>275</b>
Introduction .....	275
Regulatory information .....	275
<i>The number of registered intermediaries has increased by almost 900 in a little over two years .....</i>	<i>275</i>
Commercial non-life insurance market .....	276
<i>Commercial non-life insurance premiums in Switzerland have been broadly stable .....</i>	<i>276</i>
<i>... with the best growth achieved in the residual basket of 'other' commercial insurance .....</i>	<i>276</i>
<i>Premiums are concentrated most heavily in the micro and medium client segments .....</i>	<i>277</i>
Commercial non-life insurance brokers .....	279
Overview of brokers' presence in the distribution of commercial non-life insurance .....	279
<i>The distribution share of brokers is likely to have risen quite significantly between 2011 and 2015 .....</i>	<i>279</i>
Competitor trends .....	282
<i>Kessler &amp; Co continues to lead the Swiss commercial lines broking market, followed by Aon .....</i>	<i>282</i>
<i>Formed in March 2014, Swiss Risk &amp; Care is now a significant force (especially in French-speaking cantons) .....</i>	<i>282</i>
<i>Other indigenous broking firms somewhat limit the presence of international brokers .....</i>	<i>282</i>
<i>... albeit Willis Towers Watson has strengthened its presence through the absorption of Gras Savoye .....</i>	<i>283</i>
<i>The merger of Swissbroke Group with Fraumünster Insurance Experts signals further consolidation .....</i>	<i>283</i>
<i>Two of the top 30 brokers generate all of their income from commercial non-life insurance .....</i>	<i>284</i>
International broker networks .....	286
<i>Three international networks lack Switzerland-based members .....</i>	<i>286</i>
Future outlook .....	287
<i>The commercial lines broking market is likely to have risen further in value by 2019 .....</i>	<i>287</i>
<b>21.0 TURKEY .....</b>	<b>289</b>
Introduction .....	289
Regulatory information .....	289
<i>Turkey's professional association for brokers has well over 100 members .....</i>	<i>289</i>
Commercial non-life insurance market .....	290
<i>The Turkish commercial lines market has boomed in recent years .....</i>	<i>290</i>
<i>... with growth achieved in real terms across all categories .....</i>	<i>290</i>
<i>Almost 40% of premiums are due to clients that are defined as 'large' or 'very large' .....</i>	<i>292</i>
Commercial non-life insurance brokers .....	293
Overview of brokers' presence in the distribution of commercial non-life insurance .....	293
<i>Turkey's market for commercial lines broking appears to be expanding rapidly .....</i>	<i>293</i>

## COMMERCIAL NON-LIFE INSURANCE BROKERS IN EUROPE

... and most business is secured from larger entities.....	295
Competitor trends .....	296
<i>Marsh &amp; McLennan Companies, Aon and April Genç are the market leaders...</i> .....	296
<i>... although the brokers ranked from fifth to 15<sup>th</sup> are all indigenous ones</i> .....	296
<i>13 of the top 15 brokers derive most of their revenues from commercial insurance</i> .....	298
International broker networks.....	299
<i>Only one international network lacks a Turkey-based member.....</i>	299
Future outlook .....	300
<i>A real compound annual growth rate of over 10% is forecast for the broking market up to 2019.....</i>	300
<b>22.0 UK .....</b>	<b>302</b>
Introduction.....	302
Regulatory information.....	302
<i>Close to 2,000 firms belong to the main association for insurance brokers in the UK.....</i>	302
Commercial non-life insurance market .....	303
<i>Commercial non-life insurance premiums contracted by over GBP 1 billion between 2011 and 2015...</i> .....	303
<i>... with only commercial property and miscellaneous other commercial business showing any growth</i> .....	304
<i>Larger clients account for a comparatively high proportion of commercial lines premiums paid in the UK</i> .....	306
Commercial non-life insurance brokers .....	307
Overview of brokers' presence in the distribution of commercial non-life insurance .....	307
<i>The distribution share of brokers in the UK commercial lines market has remained stable in recent years.....</i>	307
<i>Over a quarter of commercial lines broking revenues are due to the largest client segment.....</i>	309
Competitor trends .....	310
<i>The UK's commercial non-life insurance broking market has become significantly more concentrated...</i> .....	310
<i>... and is now led by Arthur J. Gallagher in the wake of its many acquisitions...</i> .....	310
<i>... followed by Aon.....</i>	311
<i>Acquisitions have also bolstered the share of Marsh &amp; McLennan Companies and Willis Towers Watson...</i> .....	311
<i>... with Towergate pushed back into fifth position</i> .....	312
<i>Beyond the top five, no broker holds a share of more than 5% of total commercial lines broking revenues.....</i>	312
<i>For a number of the top 60 brokers, commercial lines is not their main source of revenues</i> .....	313
International broker networks.....	315
<i>A number of smaller firms outside of the top 60 belong to international broker networks...</i> .....	315
<i>... and the UK market is also characterised by the presence of at least seven domestic networks</i> .....	316
Future outlook .....	316
<i>Very modest growth is predicted up to 2019 for the value of the UK commercial lines broking market</i> .....	316
