<i>Anbang Insurance holds the highest share of manufacturer partnerships</i>	<i>39</i>
<i>... as a result of exclusive relationships with five brands</i>	<i>39</i>
<i>The weighted share of other leading providers is diluted by the non-exclusive nature of their partnerships</i>	<i>39</i>
<i>Anbang Insurance slips to fifth position in the combined analysis.....</i>	<i>41</i>

<i>Dealers' own extended warranty schemes dominate the combined analysis.....</i>	<i>45</i>
Road assistance	46
<i>Most dealers make road assistance available from both tied and non-tied providers</i>	<i>46</i>
<i>... although none appear to work directly with independent assistance firms.....</i>	<i>46</i>
