| <i>Road assistance cover distributed by the automotive trade is valued at more than EUR 900 million...</i> | 7 |
| <i>... and is a service that is widely available through both dealers and manufacturer brands in most countries.....</i> | 8 |
| <i>Road assistance is quite frequently packaged with motor insurance or extended warranties...</i> | 8 |
| <i>...and can also be acquired with prepaid service contracts or as a stand-alone policy</i> | 10 |
| <i>Allianz Global Assistance and Europ Assistance are the leading partners used by manufacturer brands.....</i> | 10 |
| <i>... albeit ARC Europe members, when counted together, overtake these two assistance firms.....</i> | 11 |
| 1.0 INTRODUCTION | 12 |
| What is this report about? | 12 |
| <i>The focus of the report is on extended warranties for new and used cars bought by individuals</i> | 12 |
| Rationale | 12 |
| <i>The provision of financial services is essential to support both car sales and profitability</i> | 12 |
| <i>This report offers a detailed and unique analysis of the subject in Europe based on primary research</i> | 12 |
| Methodology | 12 |
| Survey of dealers and manufacturers..... | 12 |

| 2.0 REGIONAL OVERVIEW | 21 |
| Passenger vehicle data | 21 |
| Car parc..... | 21 |
| <i>Cars on the road have been growing most rapidly in Poland, Romania, Slovakia and Turkey.....</i> | 21 |
| New car sales to individuals | 23 |
| <i>New car sales in 2015 were almost 1 million less than they had been in 2011</i> | 23 |
| <i>... mainly as a result of their collapse in Russia</i> | 23 |
| Used car sales | 26 |
| <i>In Poland, over 16 used cars were sold for every new car bought by an individual in 2015.....</i> | 26 |
| <i>... compared to an equivalent ratio of just 2.4 in Belgium.....</i> | 26 |
| Sales by manufacturer groups | 29 |
| <i>Across the 20 countries VW group sells as many cars as its next two rivals combined</i> | 29 |
| <i>... which is partly a consequence of a fairly or very strong position in all countries researched</i> | 30 |

MANUFACTURER-BRANDED AND DEALER-INTERMEDIATED MOTOR INSURANCE AND ROAD ASSISTANCE IN EUROPE

| | |
|--|----|
| Motor insurance..... | 34 |
| Survey of automotive dealers..... | 34 |
| <i>Across Europe, over 80% of dealers act as distributors of motor insurance.....</i> | 34 |
| <i>...and this figure reaches 100% in five of the 20 countries investigated.....</i> | 34 |
| <i>Sales of motor policies through the automotive trade in France and the UK follow different models.....</i> | 34 |
| <i>Dealers in Russia normally work with multiple motor insurers.....</i> | 36 |
| <i>...and they use more non-tied providers than tied ones in eight other countries.....</i> | 36 |
| <i>Just over half of all dealers use non-tied motor insurance providers, either on their own or with tied ones... ..</i> | 38 |
| <i>...while three quarters of Polish dealers make use of both tied and non-tied providers.....</i> | 38 |
| <i>Where offered, take-up rates for motor insurance acquired with new cars exceed 75% in three countries.....</i> | 40 |
| <i>Motor insurance is more likely to be bought with new cars than with used cars in all 20 countries.....</i> | 41 |
| Types of motor insurance policy sold by dealers..... | 46 |
| <i>In most countries, dealers selling motor insurance can offer liability or damage and theft cover separately.....</i> | 46 |
| Manufacturer brand survey results..... | 48 |
| <i>All manufacturer brands have an endorsed scheme in the Czech Republic, Slovakia and Sweden... ..</i> | 48 |
| <i>...and there may be an opportunity for new schemes to be introduced in Portugal, Russia and Spain.....</i> | 48 |
| <i>A majority of manufacturer brands source motor insurance from a single external underwriter... ..</i> | 50 |
| <i>...while VW group has a captive underwriter in Austria and a joint venture in Germany.....</i> | 50 |
| Market size..... | 53 |
| <i>Three countries account for almost half of the value of motor insurance sold through the automotive trade.....</i> | 53 |
| <i>...with Norway and Sweden ranked fourth and fifth, respectively.....</i> | 53 |
| <i>The automotive trade is most important as a distribution channel for motor insurance in Sweden... ..</i> | 56 |
| <i>...but is much less important in most countries in southern and western Europe.....</i> | 57 |
| Competitor dynamics..... | 59 |
| <i>As a market for motor insurance sold via the automotive trade the importance of Germany is clear... ..</i> | 59 |
| <i>...and market leader Allianz is active in 14 of the 20 countries featured in this report.....</i> | 59 |
| <i>If P&C Insurance, VW group and MAPFRE are ranked next by weighted share of partnerships.....</i> | 59 |
| <i>... followed by AXA, Talanx, Munich Re, Nürnberger Versicherungsgruppe, Generali and Zurich.....</i> | 60 |
| Road assistance..... | 62 |
| Survey of automotive dealers..... | 62 |
| <i>Road assistance is automatically provided with the vast majority of cars sold through dealers.....</i> | 62 |
| <i>Dealers sometimes work with multiple providers of road assistance for two main reasons.....</i> | 64 |
| <i>... although nearly 60% of those surveyed stick to using tied providers.....</i> | 64 |
| <i>Virtually all buyers of new cars receive road assistance automatically... ..</i> | 68 |
| <i>...and provision with used cars is also extremely widespread in a number of countries.....</i> | 69 |
| Sources of road assistance distributed by dealers..... | 74 |
| <i>Road assistance can be acquired in several ways in addition to factory warranties... ..</i> | 74 |
| <i>...including with motor insurance, extended warranties and prepaid service contracts... ..</i> | 74 |
| <i>...and as a stand-alone contract available through a minority of dealers.....</i> | 74 |
| Manufacturer brand survey results..... | 77 |
| <i>Russia is the only country where fewer than 90% of brands have an official road assistance scheme.....</i> | 77 |
| <i>The vast majority of manufacturer brands work with a single external assistance provider.....</i> | 79 |
| <i>... although some reportedly manage their own road assistance schemes on an internal basis.....</i> | 79 |
| Market size..... | 82 |
| <i>The total value of the market for road assistance sold via the automotive trade approaches EUR 1 billion... ..</i> | 82 |
