Types of packaged travel insurance and assistance	6
Operating models	7
Weighted shares	7
Currencies, exchange rates and inflation	8
PartnerBASE	8
Finaccord	8
2.0 MARKET ANALYSIS	10
Introduction	10
Underlying foreign travel market	10
<i>Growth in the number of outbound trips accelerated in 2014 and 2015.....</i>	10
<i>... with business trips staging a recovery from the trough reached in 2013.....</i>	10
<i>Over a half of all overnight trips are to either Canada or Mexico.....</i>	12
Market for travel insurance and assistance	13
<i>The market has risen rapidly in terms of both premiums and policies in force.....</i>	13
<i>Annual, multi-trip policies represent a small but stable proportion of the total market.....</i>	14
Distribution through travel trade, transportation and financial organisations	15
Summary of organisations researched.....	15
Provision rates	16
<i>Well over a half of potential distributors in the US actually do promote stand-alone travel cover.....</i>	16
Operating models	17
<i>Most distribution partnerships are arranged via a single external underwriter or multiple ones.....</i>	17
<i>Several insurance brands distribute travel insurance as a white-labelled product.....</i>	18
Competitor share of partnerships – travel trade entities	20
<i>Allianz Global Assistance and Travel Guard hold the most distribution relationships in this sector.....</i>	20
<i>Transamerica is also significant, thanks to its links with Aon Affinity and Travelex Insurance Services.....</i>	20
<i>...and a wide range of other insurers also involved in this diverse sector.....</i>	20
<i>In weighted terms, two competing units potentially account for over a half of this market.....</i>	21
<i>... buoyed in particular by relationships with major online travel firms and cruise companies.....</i>	21
Competitor share of partnerships – transportation organisations	23
<i>Allianz Global Assistance and Travel Guard are most active in partnering with US airlines.....</i>	23

TRAVEL INSURANCE AND ASSISTANCE IN THE USA

... although significant international airlines work with a wider range of insurers	23
One provider is dominant in the weighted analysis of partnerships.....	23
Competitor share of partnerships – financial organisations	25
Only two insurers have more than one distribution relationship among financial partners.....	25
... with Travel Insured International likely to hold the most significant one	25
Travel insurance and assistance linked to payment cards and bank accounts.....	27
Around two thirds of credit card products feature one or more types of travel cover	27
... rising to well over 80% in the case of premium products	28
Other distribution channels	29
Alternative distribution channels for travel cover are likely to be rising in importance in the US	29
Automotive clubs.....	29
Automotive clubs constitute a major distribution channel for travel insurance	29
Direct distribution by specialist travel insurers.....	30
The US market features a particularly high number of specialists selling policies directly	30
... including some that focus on assistance packages	31
Online aggregators and brokers	31
Travel insurance comparisons are available in the US from specialist brands	31
Retailers	32
Costco operates a travel company for its members.....	32
Other types of distributor	32
USAA distributes travel insurance to US military personnel and family members.....	32
Leading competitors.....	32
Four competitors are likely to hold a share of 10% or more of the US market	32
... with ones outside of the top ten holding between 11% and 20% when considered together.....	33
Forecasts	35
Underlying foreign travel market.....	35
Foreign trips will carry on growing up to 2019 although at a slower rate than in 2014 and 2015.....	35
Market for travel insurance and assistance.....	37
... which means that the travel insurance market will continue to expand.....	37
