2.0 OVERVIEW OF SMALL BUSINESSES IN THE UK	11
Number of enterprises by business sector.....	11
At around 1.24 million, businesses in property management and rental are most numerous	11
Up to 2009, enterprises in the healthcare and related services sector grew most rapidly	11
Small manufacturing enterprises are forecast to continue declining most rapidly up to 2013	14
Number of enterprises by turnover band	16
The majority of small businesses have an annual turnover of less than £100,000.	16
... although their overall number is likely to have fallen between 2005 and 2009	16
... and may only begin to grow again from 2012 onwards.....	18
The scrap and waste disposal services segment grew most rapidly between 2005 and 2009.	20
... with fuel retailers experiencing the sharpest drop in number over the same time frame.....	20
