The research is based on a survey of 1,230 major retail brands across eight countries.....	2
Almost a third of major retail brands in the region operate their own payment card scheme.....	2
... with high penetration among fuel retailers largely due to widespread provision of fuel cards.....	2
Over a half of retailer payment card initiatives are classifiable as private label programs.....	3
Three banking groups are ultimately behind over one third of retailer card initiatives identified.....	3
Proprietary retailer loyalty programs are most common in Portugal, Spain and France... ..	4
... although retailer participation in coalition loyalty schemes is most widespread in the UK.....	4
The impact of the ‘credit crunch’ may have been positive for classic point-of-sale finance.....	4
Five retailing groups are identifiable as the region’s most advanced competitors in retailer banking..	5
The UK hosts the highest number of initiatives in retailer distribution of personal lines insurance... ..	5
... and is also characterized by the greatest diversity in operating models used to this end.....	5
Consumer research in Germany and the UK offers encouragement for retailers in other nations.....	6
Several factors are likely to drive the future development of retailer financial services... ..	6
... including points specific to consumers, financial institutions and the retail brands themselves.....	6
1.0 INTRODUCTION	8
Rationale	8
Retailer financial services can be broken down between ‘traditional’ and ‘non-traditional’ services....	8
Retailers can take advantage of changes in consumer finance and payment card markets.....	8
Consolidation among conventional banks provides justification for the entry of retailer banks.....	8
The evolution of the retailing market itself is also favourable to the integration of financial services...9	9
Methodology	9
Finaccord’s research covers 1,230 major retail brands across Southern and Western Europe.....	9
Product definitions	11
Coverage of payment cards includes credit, deferred debit, debit and rechargeable pre-paid cards ...	11
.....	11
Proprietary and coalition loyalty programs are present in a variety of different formats.....	11
The involvement of retail chains in the distribution of consumer credit is also considered... ..	11
... as is their activity as distributors of mainstream consumer insurance products.....	11
