0.0 EXECUTIVE SUMMARY	2
Finaccord’s research covers over 730 associations classifiable in 12 industry categories	2
Affinity programs for commercial insurance are most commonly organised by associations	2
Business banking services are rarely offered through either professional or trade associations.....	3
Within a fragmented market, HDI Gerling is a leading partner for affinity insurance schemes... ..	3
... although numerous other suppliers are competing for the limited number of mandates on offer ...	3
113 associations have organised accident and health insurance schemes for their members... ..	3
... with DKV and Signal Iduna emerging as the most commonly used suppliers in this field	4
Initiatives for life insurance and pensions are almost as widespread as those for accident and health insurance	4
Most offerings for personal lines policies are carried over from business insurance schemes.....	4
Tough economic conditions could favour the development of new commercial affinity programs	4
1.0 INTRODUCTION	7
Rationale	7
The report offers the first analysis ever of commercial affinity groups in Germany	7
... for whom organisation of financial services represents just one strand of potential activity	7

<i>Affinity and partnership marketing publications for Germany</i>	8
<i>Consumer research publications for Germany</i>	8
PartnerBASE™	8
Methodology	9
The research extends to a universe of over 730 professional and trade associations in Germany	9
... over 200 of which possess in excess of 1,000 individual or corporate members	9
Definitions	13
2.0 MARKET OVERVIEW	15
Introduction	15
Overview	16
Over 20% of associations have established affinity schemes for commercial insurance.....	16
Commercial affinity programs in Germany are generally less widespread than in the UK	16
Business banking	18
Affinity marketing agreements for business banking services are comparatively scarce	18
... with professional associations being most likely to have established an initiative in this area	18
No provider of banking services possesses more than three affinity marketing deals	19
Business insurance	20
Over 30% of associations in three industry groups offer commercial insurance schemes	20
Numerous insurance brokers compete for commercial insurance affinity mandates... ..	21
...with HDI Gerling emerging as a leader in terms of outright number of partnerships... ..	21
Accident and health insurance	23
Miscellaneous and professional bodies are most active in accident or health insurance schemes ..	23
Most associations offering accident or health insurance work directly with a single underwriter	24
Life insurance and pensions	26
Rates of provision for schemes for life insurance and pensions vary widely by industry group.....	26
Many association schemes for life insurance and pensions are organised through brokers... ..	27
... although a significant number of underwriters have established direct affinity marketing links.....	27

Personal general insurance	28
For some industry categories there is a limited logic to provide personal general insurance	28
Partnerships split almost equally between single underwriters and brokers	29
