# TABLE OF CONTENTS

<b>0.0 EXECUTIVE SUMMARY</b> .....	<b>2</b>
<i>The research is based on a survey of 1,810 major retail brands across 15 geographies.....</i>	<i>2</i>
<i>A significant proportion of retail chains in Japan and South Korea offer their own payment cards... ..</i>	<i>2</i>
<i>... with high penetration among fuel retailers largely due to widespread provision of fuel cards.....</i>	<i>2</i>
<i>Under 40% of retailer payment card initiatives are exclusive to either MasterCard or Visa.....</i>	<i>3</i>
<i>Captive card issuers are particularly widespread in New Zealand and the Middle East.....</i>	<i>3</i>
<i>Most proprietary retailer loyalty cards have not yet been converted into payment cards... ..</i>	<i>3</i>
<i>... although payment cards based around coalition loyalty schemes are popular in South Korea.....</i>	<i>4</i>
<i>The provision of point-of-sale consumer finance is concentrated primarily in certain retail sectors....</i>	<i>4</i>
<i>Few genuine captive or joint venture retailer banking subsidiaries exist in the region .....</i>	<i>4</i>
<i>Retailers distribute mainstream insurance policies in nine of the 15 geographies considered.....</i>	<i>5</i>
<i>The global recession has hardly affected retail sales in the developing countries in the region... ..</i>	<i>5</i>
<i>...although the Japanese retail sector was thrown into a prolonged crisis.....</i>	<i>5</i>
<i>Consumers in emerging markets are starting to embrace financial services that retailers can offer...6</i>	<i>6</i>
<i>Japan and South Korea should continue to act as trendsetters for innovative card products .....</i>	<i>6</i>
<i>The profitability of retailer payment cards usually exceeds that of standard credit cards.....</i>	<i>6</i>
<i>In most countries, the potential of coalition loyalty schemes is largely untapped... ..</i>	<i>6</i>
<i>...while the expansion of international retailers creates room for new partnerships.....</i>	<i>7</i>
<b>1.0 INTRODUCTION</b> .....	<b>8</b>
<b>Rationale</b> .....	<b>9</b>
Retailer financial services can be broken down between ‘traditional’ and ‘non-traditional’ services....	9
Retailers can take advantage of changes in consumer finance and payment card markets.....	9
Consolidation among conventional banks provides justification for the entry of retailer banks.....	9
The evolution of the retailing market itself is also favourable to the integration of financial services.	10
<b>Methodology</b> .....	<b>10</b>
Finaccord’s research covers 1,810 major retail brands across Asia Pacific and the Middle East .....	10
<b>Product definitions</b> .....	<b>12</b>
Coverage of payment cards includes credit, deferred debit, debit and rechargeable prepaid cards.	12
Proprietary and coalition loyalty programs are present in a variety of different formats .....	12
The involvement of retail chains in the distribution of consumer credit is also considered. ....	12
... as is their activity as distributors of mainstream consumer insurance products.....	12
<b>Finaccord</b> .....	<b>13</b>
<b>2.0 REGIONAL OVERVIEW</b> .....	<b>15</b>
<b>Introduction</b> .....	<b>16</b>
<b>Retailer payment cards</b> .....	<b>17</b>
Retailers in Japan and South Korea are most likely to have launched their own payment card .....	17
More than half of department store chains offer their own retailer payment cards .....	18
Almost two thirds of fuel retailers in Asia Pacific and the Middle East offer one or more cards.....	19
The majority of retailer payment cards offered in Asia Pacific and the Middle East are credit cards	21
More than half of retailers operate their cards in partnership with single, external providers.....	24
Almost one third of the retailer payment cards observed are linked to multiple networks.....	27
MasterCard is prominent in Malaysia and Visa dominant in Vietnam .....	28
Among issuers there are no clear market leaders across Asia Pacific and the Middle East .....	31
<b>Proprietary retailer loyalty programs</b> .....	<b>32</b>

## RETAILER FINANCIAL SERVICES IN ASIA PACIFIC AND THE MIDDLE EAST

In relative terms, proprietary loyalty schemes are most widespread in Singapore and South Korea...	32
Proprietary loyalty programs are most widespread among department stores, DIY and fuel retailers..	34
Most proprietary loyalty schemes are linked to a card with no payment function .....	35
<b>Coalition loyalty programs.....</b>	<b>38</b>
Retailer participation is widespread in South Korea and in the Middle East .....	38
DIY retail brands are the least likely to take part in coalition loyalty schemes.....	40
The widespread use of credit cards may limit classic point-of-sale finance in some territories .....	41
Consumer loans are most often available among electrical and DIY retailers.....	43
Examples of captive finance providers are visible only in Japan, Malaysia and New Zealand.....	44
<b>Banking products .....</b>	<b>47</b>
Retailer involvement in mainstream banking is apparent only in three countries .....	47
<b>Captives and joint ventures .....</b>	<b>49</b>
Captive retailer finance arms are mainly active in the field of payment cards.....	49
<b>Insurance .....</b>	<b>54</b>
Retail brands are active in mainstream insurance in nine of the 15 geographies investigated.....	54
Motor, accident and health policies are the most frequently offered forms of retailer insurance .....	56
Sports goods chains and supermarkets offer insurance more frequently than other retailers .....	57
Operating models used by retailers selling insurance vary by considerably by country.....	59
<b>International remittance services .....</b>	<b>70</b>
Major retailers in five countries make international remittance services available .....	70
There are around 33.7 million international migrants in Asia Pacific and the Middle East... ..	71
... generating verifiable international remittance outflows worth in excess of US\$27 billion... ..	72
International remittance outflows and inflows in Asia Pacific and the Middle East, 2007 (data) .....	72
... with the value of outflows per international migrant highest in Indonesia .....	73
<b>The evidence of consumer research in selected European markets .....</b>	<b>74</b>
Supermarkets and other retailers are influential in Germany for certain financial products... ..	74
... most notably personal loans / consumer finance and credit cards... ..	74
... although there is little evidence to suggest that consumers will use them to buy insurance.....	74
In contrast, retail brands are significant for various types of insurance in the UK... ..	76
... with their distribution share apparently highest for pet insurance .....	76
<b>3.0 AUSTRALIA .....</b>	<b>78</b>
<b>Introduction .....</b>	<b>79</b>
<b>Retailer payment cards.....</b>	<b>80</b>
American Express possesses several key relationships in the Australian retailer card market.....	80
... with GE Money and HSBC identifiable as other important competitors in this sector .....	80
<b>Proprietary retailer loyalty programs .....</b>	<b>83</b>
Most retailer loyalty schemes in Australia remain built around cards with no payment function.....	83
<b>Coalition loyalty programs.....</b>	<b>84</b>
FlyBuys in Australia claims to the world's fifth largest coalition loyalty program... ..	84
... and possesses a member base within which almost three quarters are women .....	84
<b>Consumer finance / personal loans.....</b>	<b>86</b>
The point-of-sale finance market is populated by a variety of different types of competitor .....	86
Retailers constitute an important distribution channel for GE Money's GE CreditLine card .....	86
Once Group's MyBuy is a relatively recent entrant to the retailer finance market .....	86
Flexirent Capital concluded close to 100,000 retailer finance transactions in 2009 .....	86
inRent possesses rental finance relationships with more than 500 retailers in Australia .....	87
Rentsmart, a product of the ThinkSmart Group, has been available in Australia since 1996 .....	87
Certegy Ezi-Pay offers a substitute product to more traditional point-of-sale finance .....	87
<b>Banking products .....</b>	<b>89</b>
Two specialized agribusiness retailers offer banking services to Australia's rural communities.....	89

## RETAILER FINANCIAL SERVICES IN ASIA PACIFIC AND THE MIDDLE EAST

Rural Bank enjoyed quite rapid balance sheet growth between 2005 and 2009.....	89
ANZ agreed to purchase Landmark’s banking operations in December 2009.....	90
<b>Insurance .....</b>	<b>91</b>
Thus far, mainstream retail brands in Australia have chosen not to enter the insurance market .....	91
<b>International remittance services .....</b>	<b>92</b>
<b>4.0 CHINA.....</b>	<b>93</b>
<b>Introduction .....</b>	<b>94</b>
Retailers in China dodged the global recession of 2009... ..	95
...but may face conditions of increased competition and consolidation in the coming years.....	95
Consumer trends in urban areas encourage a rapid growth in the use of credit cards.....	96
<b>Retailer payment cards.....</b>	<b>97</b>
In China, retailer payment cards manifest themselves most commonly as credit cards .....	97
Cards linked only to UnionPay and private label products are most frequently offered by retailers ..	98
Not all payment cards offered by retailers are available on a nationwide basis.....	98
China Everbright Bank has launched a number of high profile co-branded card schemes .....	99
