TABLE OF CONTENTS

0.0 EXECUTIVE SUMMARY	2
<i>Finance and leasing: a market worth €253.0 billion in gross advances and assets leased in 2006.....</i>	<i>2</i>
<i>... with point-of-sale finance claiming a share of around 50.9% of the total market value.....</i>	<i>2</i>
<i>Leasing agreements make up over 50% of private car finance contracts in nine countries.....</i>	<i>3</i>
<i>Bulgaria, Romania, Russia, Turkey and Ukraine are delivering the strongest rates of growth.....</i>	<i>3</i>
<i>Average take-up rates at the point of sale are typically higher in Eastern and Southern Europe.....</i>	<i>3</i>
<i>Manufacturer captive finance arms face a tough outlook in a majority of European markets... ..</i>	<i>3</i>
<i>... as dealerships are typically expanding the number of providers with which they collaborate</i>	<i>4</i>
<i>... although the dominance of a leading duo in Spain apparently produces the opposite effect.....</i>	<i>4</i>
<i>In many ways, consolidation among dealers improves the prospects for automotive financial services..</i>	<i>4</i>
<i>The sale of a 51% stake in GMAC by GM alters the landscape for captive financial services.....</i>	<i>5</i>
<i>Entities dependent upon point-of-sale automotive financial services can defend their position... ..</i>	<i>5</i>
<i>... through pursuing a number of action points that will help them to realise their common vision</i>	<i>6</i>
1.0 INTRODUCTION	8
What is this report about?	8
The focus of the report is on finance and leasing related to the sale of passenger cars to individuals.....	8
Rationale.....	8
Financial services provision is crucial to the profitability of automotive entities... ..	8
... and extends to a range of insurance, warranty and assistance concepts.....	8
... although published information on these markets remains at a premium.....	9
Changes in the structure of the dealer channel have implications for automotive financial services	9
Methodology	10
<i>Dealer survey.....</i>	<i>10</i>
<i>Manufacturer survey.....</i>	<i>12</i>
<i>Market data.....</i>	<i>14</i>
Computation of market data is based on a complex set of assumptions and variables.....	14
... which Finaccord has compared against secondary information sources wherever possible	14
Finaccord.....	15
PartnerBASE™	16
2.0 EUROPEAN OVERVIEW	18
Introduction.....	18
Passenger vehicle data	19
Europe's passenger car parc is characterized by slow but predictable growth	19
Countries in Eastern and South-Eastern Europe provide the best growth opportunities... ..	20
... with sales to commercial customers and fleet buyers outstripping the regional average.....	21
The boom in imported vehicles helps Poland to achieve rapid growth in sales of used cars	22
There is ample scope for growth in sales of used cars in Eastern and South-Eastern Europe.....	23
New vehicle registrations are characterised by patriotic tendencies in several countries... ..	24
... although brands such as Honda, Hyundai, Suzuki and Toyota are all making steady progress.....	24
Motor dealer data	26
The number of franchised dealers begins to grow following the low point reached in 2003... ..	26
... with the sale efficiency of five countries setting the standards for the rest of Europe.....	28
Survey results.....	30
Provision of finance and leasing services is fundamental to the profitability of dealerships	30

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Dealers are most likely to work with a high number of finance providers in Russia and Ukraine.....	32
The average number of finance and leasing providers used by dealers rises in most markets	34
Captive finance providers exert the greatest control over dealerships in the Netherlands... ..	36
... with dealers most inclined to work with both captive and non-captive entities in Hungary	36
Average customer take-up rates at the point of sale are highest among new car buyers in Bulgaria.....	39
Dealerships appear to be increasing their effectiveness in several major European markets... ..	41
... as a result of a number of factors related to development and marketing of finance products.....	41
Across Europe, slightly over a third of used cars sold by dealers are financed at the point of sale... ..	43
... although the percentage seems to have declined sharply in the Netherlands in recent years.....	45
Leasing accounts for more than 50% of all car finance deals for consumers in nine territories	47
The vast majority of manufacturers and importers possess their own finance and leasing services	49
Market size and growth	51
In terms of the overall number of credit agreements, Germany remains Europe's largest market... ..	51
... although Italy's point-of-sale market is much larger than that of the UK, France and Spain.....	51
... with a value well in excess of €20 billion in gross advances and assets leased in 2006	54
Private car finance in Europe adds up to a market growing at an average annual rate of 4.4%.....	57
... although one driven by growth rates averaging above 30% in Eastern and South-Eastern Europe ..	57
Manufacturers' captive finance operations	60
Financial services constitute a crucial source of profitability to major automotive groups.....	60
... although the sale of a 51% stake in GMAC by General Motors is a significant development	60
3.0 AUSTRIA.....	63
Introduction.....	63
Passenger vehicle data	64
New car sales advance at an annual average of 2.6% between 2002 and 2006	64
Brands within the Volkswagen grouping continue to account for well over a quarter of sales	65
Motor dealer data	66
Franchised sales outlets increase following the trough reached at the beginning of 2004.....	66
... but average sales per sales outlet in Austria remain well below the European average	67
Finance and leasing - market size and growth.....	68
Direct lenders and cash buyers put the squeeze of point-of-sale finance in Austria... ..	68
... causing the value of used car finance intermediated by dealers to decline	70
Dealer survey - top level results	72
Average point-of-sale take-up rates in Austria are below the Europe-wide averages	72
Austrian consumers display a preference for leasing-based contracts, including long-term rental.....	73
Competitor dynamics	74
Finance / leasing: over 40% of dealers continue to intermediate captive finance only	74
... although a group of four main, non-captive competitors is becoming increasingly strong.....	74
Manufacturer relationships	75
Finance / leasing: a number of banks are competing for manufacturer-branded mandates	75
Data bank.....	76
4.0 BELGIUM.....	78
Introduction.....	78
Passenger vehicle data	79
Sales of both new cars and used cars rise strongly in 2006 following years of stagnation.....	79
The continuing popularity of the Citroën brand makes Peugeot Citroën the major group	80
Motor dealer data	81
The annual decline in dealership sales outlets has continued almost uninterrupted in recent years... ..	81
... although by European standards, dealers generate relatively low sales per outlet.....	82
Finance and leasing - market size and growth.....	83
Volumes in the finance and leasing market rise in 2006 in the wake of several years of decline... ..	83

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

... bringing average annual growth in private car finance in line with that for total consumer credit	84
Dealer survey - top level results	86
Average point-of-sale take-up rates in Belgium are below the Europe-wide averages.....	86
Over one third of finance agreements by volume are attributable to leasing-based contracts	87
Competitor dynamics	88
Finance / leasing: the competitive structure in Belgium is comparatively fragmented... ..	88
... with only three groups having achieved significant penetration among dealerships	88
Manufacturer relationships	90
Finance / leasing: Alpha Credit provides finance on behalf of Toyota and several other brands.....	90
Data bank.....	91
5.0 BULGARIA	93
Introduction.....	93
Passenger vehicle data	94
Sales of both new cars and used cars rise strongly in 2006 following years of stagnation.....	94
Total sales of 7,715 new cars in 2006 establish Peugeot Citroën as the Bulgarian market leader	95
Motor dealer data	96
Franchised dealership sales outlets exceed 200 in number for the first time in 2005	96
The limited number of sales contracts produces exceptionally high average sales per contract.....	97
Finance and leasing - market size and growth.....	98
New cars financed at the point of sale grow at an average rate of over 55% per annum.....	98
... helping the total point-of-sale market to reach approximately BGN 463 million in 2006	100
The markets for private car finance and consumer lending are growing at roughly the same rate.....	100
Dealer survey - top level results	102
Average point-of-sale take-up rates in Bulgaria are above the Europe-wide averages	102
Almost all private car finance contracts in Bulgaria are in the form of leasing agreements	103
Competitor dynamics	104
Finance / leasing: Raiffeisen Leasing and Interlease are most commonly used by dealers.....	104
... although they are challenged by a number of other firms attracted by the market's rapid growth ..	104
Manufacturer relationships	106
A significant number of importers have established their own leasing operations	106
Data bank.....	107
6.0 CROATIA	109
Introduction.....	109
Passenger vehicle data	110
Sales of used cars, including imports, are likely to have easily outgrown sales of new cars.....	110
The Opel, Renault and Volkswagen brands all hold a market share in excess of 10%.....	111
Motor dealer data	112
The number of dealer outlets peaks at 489 in 2003 but varies little over the full 2001-5 period.....	112
The sales efficiency of Croatian dealers appears low when compared to the European average.....	113
Finance and leasing - market size and growth.....	114
Dealers gain ground in the market for finance and leasing offered to buyers of new cars... ..	114
... with the point-of-sale market attaining a value of around HrK 4.64 billion in 2006	115
Dealer survey - top level results	117
Average point-of-sale take-up rates in Croatia are above the Europe-wide averages.....	117
The vast majority of private car finance contracts take the form of leasing-based agreements	118
Competitor dynamics	119
Finance / leasing: through three separate units, UniCredit is the point-of-sale market leader.....	119
Manufacturer relationships	121
Finance / leasing: a number of brands maintain preferred partners for finance and leasing	121
Data bank.....	122

7.0 CZECH REPUBLIC	124
Introduction	124
Passenger vehicle data	125
Rapid growth in sales of used cars help to offset the continuing decline in sales of new vehicles.....	125
The aggregate share of sales of brands within the Volkswagen grouping remains above 50%.....	126
Motor dealer data	127
The number of franchised dealer outlets recovers from the low point reached in 2003.....	127
... although dealers are likely to become increasingly reliant upon sales of used vehicles.....	128
Finance and leasing - market size and growth	129
A robust market for used car finance outweighs the unpropitious environment for new car finance... ..	129
... helping the value of gross advances and assets leased to exceed CzKr 30 billion barrier in 2006	130
Dealer survey - top level results	132
Average point-of-sale take-up rates in the Czech Republic vary between new and used cars.....	132
Around three out of every four consumers opt for a leasing-based car finance contract.....	133
Competitor dynamics	134
Finance / leasing: captive finance providers appear to have strengthened their hand... ..	134
... although they face tough competition from a variety of non-captive entities.....	134
... including the recently re-named Credium as well as CAC, ČSOB and GE Money Bank.....	134
Manufacturer relationships	136
Finance / leasing: CAC Leasing ties up exclusive, shared or joint venture links with 11 brands.....	136
Data bank	138
8.0 DENMARK	140
Introduction	140
Passenger vehicle data	141
Sales of both new and used passenger cars have developed strongly in recent years.....	141
Suzuki and Toyota push General Motors and Renault Nissan out of the top five groupings.....	142
Motor dealer data	143
The rate of decline in the number of franchised dealerships levels out in 2004 and 2005... ..	143
... although modest sales efficiency suggests that a further downsizing remains on the cards.....	144
Finance and leasing - market size and growth	145
Dealerships intermediate only a small proportion of private car finance in Denmark.....	145
... with vehicles financed through direct lenders and cash growing at a faster rate.....	145
An important driver of car finance in Denmark is the very high average price of new vehicles.....	147
Dealer survey - top level results	149
Average point-of-sale take-up rates in Denmark are below the Europe-wide averages.....	149
Less than one in five individual car buyers in Denmark opt for leasing-based contracts.....	150
Competitor dynamics	151
Finance / leasing: a fragmented market suggests that the sector may be ripe for consolidation.....	151
Manufacturer relationships	152
Finance / leasing: Semler Bilfinans provides captive finance for the four Volkswagen brands.....	152
Nordania Leasing is the most prominent external partner for branded finance and leasing.....	152
Data bank	154
9.0 FRANCE	156
Introduction	156
Passenger vehicle data	157
France's passenger car market is seemingly ossified in terms of its sales volume and value.....	157
The combined share of Peugeot Citroën and Renault Nissan is declining gradually.....	158
Motor dealer data	159
The number of franchised outlets has stabilised since the 20.2% annual decline in 2002... ..	159

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

... with French dealerships displaying a degree of sales efficiency ahead of the European average .	160
Finance and leasing - market size and growth	161
The car finance market stagnated between 2002 and 2006 in terms of number of contracts.....	161
... although it expanded at an average rate per annum of 1.7% when measured by its value	162
Statistics published by the ASF are broadly in line with these figures.....	162
Dealer survey - top level results	164
Average point-of-sale take-up rates in France are below the Europe-wide averages	164
Lending-based products make up almost two thirds of total consumer finance agreements	165
Competitor dynamics	166
Finance / leasing: non-captive point-of-sale finance provision remains largely a four-way battle... ..	166
... although the development of Crédit Mutuel's Financo has accelerated in recent years	166
Manufacturer relationships	168
Finance / leasing: Cetelem and CGI claim four significant non-captive relationships each	168
Data bank	169
10.0 GERMANY	171
Introduction	171
Passenger vehicle data	172
New car sales stage a recovery in 2006 but the market for used cars continues to decline gently	172
Volkswagen Group claims nearly one in three new car registrations in 2006	173
Motor dealer data	174
The long-standing decline in franchised dealership numbers stabilises by the beginning of 2006	174
Average sales per sales contract and sales outlet have risen significantly in recent years	175
Finance and leasing - market size and growth	176
In terms of the total number of car finance contracts, the market remains stagnant.....	176
... with direct lenders accounting for most of the growth that has occurred in value terms	178
Data issued by both the Bankenfachverband and AKA underlines the tough conditions.....	178
Dealer survey - top level results	180
Average point-of-sale take-up rates in Germany are above the Europe-wide averages	180
Lending-based products make up almost two thirds of total consumer finance agreements	181
Competitor dynamics	182
Finance / leasing: well over a half of German dealerships now work with non-captive providers	182
... with Santander Consumer Finance approaching an annual volume of one million contracts	182
BDK was created in 2000 with the national association of car dealers as a main shareholder.....	182
... and is seeking to innovate both in the spheres of both finance / leasing and insurance.....	182
... although it remains small, in terms of business volumes, when compared to the market leader....	183
Manufacturer relationships	185
Finance / leasing: Fiat Bank also provides finance and leasing for Ferrari and Maserati in Germany.	185
Data bank	186
11.0 GREECE	188
Introduction	188
Passenger vehicle data	189
Sales of used vehicles continue to grow in Greece although sales of new cars stagnate.....	189
Eight manufacturer groups claim a market share in excess of 5.0% of registrations in 2006	190
Motor dealer data	191
The number of franchised dealer outlets in Greece reaches a five-year high of 1,721 in 2005	191
Greece's unique geography is a likely cause of the country's low average sales per outlet	192
Finance and leasing - market size and growth	193
The value of finance organised at the point of sale declined for new cars between 2002 and 2006 ...	193
The aggregate value of the private car finance market reaches €3.81 billion in 2006	195
Dealer survey - top level results	197

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Average point-of-sale take-up rates in Greece are above the Europe-wide averages	197
Lending-based contracts dominate point-of-sale finance in Greece	198
Competitor dynamics	199
Finance / leasing: captive providers have seen a deterioration of their position at the point of sale	199
Manufacturer relationships	200
Finance / leasing: partnerships for manufacturer-branded finance and leasing are fragmented	200
Data bank	202
12.0 HUNGARY	204
Introduction	204
Passenger vehicle data	205
An increase in registration taxes causes a fall in passenger car sales in both 2005 and 2006	205
Suzuki punches above its weight as a result of its local manufacturing presence	207
Motor dealer data	208
Dealership sales outlets grow overall in spite of falls in two years between 2002 and 2006.	208
... resulting in a vehicle distribution channel whose efficiency is reasonable by regional standards ...	209
Finance and leasing - market size and growth	210
The impressive growth of previous years goes into reverse from 2005 onwards.	210
... with the market value, in terms of gross advances and assets leased, having peaked in 2004.....	212
A very significant proportion of car loans are made in a foreign currency, often Swiss Francs	212
Dealer survey - top level results	214
Average point-of-sale take-up rates in Hungary are above the Europe-wide averages	214
Only around one in every five finance packages can be defined as leasing-based contracts	215
Competitor dynamics	216
Finance / leasing: captives struggle for breathing space in a crowded point-of-sale market.	216
... in which a multitude of foreign-owned institutions battle for business	216
Manufacturer relationships	218
Finance / leasing: a number of external partners have secured mandates from major brands.....	218
Data bank	219
13.0 IRELAND	221
Introduction	221
Passenger vehicle data	222
A boom in the volume of imported vehicles contributes to a buoyant market for used car sales	222
Toyota is Ireland's highest selling brand although the Volkswagen grouping is the overall leader	224
Motor dealer data	225
The number of franchised sales outlets remains static during 2005 following a sharp reduction.....	225
Average sales per sales contract in Ireland are well below the average for Europe as a whole	226
Finance and leasing - market size and growth	227
Money released from the SSIA scheme boosts the number of consumers buying cars with cash.....	227
The aggregate value of the private car finance market breaks the €3 billion barrier in 2005.....	229
Dealer survey - top level results	231
Average point-of-sale take-up rates in Ireland vary between new and used cars	231
Lending-based contracts dominate point-of-sale finance in Ireland	232
Competitor dynamics	233
Finance / leasing: eight companies compete in the dealership distribution channel	233
Manufacturer relationships	234
Finance / leasing: manufacturer schemes are dominated by a trio of external finance providers.....	234
Data bank	235
14.0 ITALY	237

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Introduction	237
Passenger vehicle data	238
Sales of used cars breach the 3.0 million threshold in 2006 for the first time since 2003.	238
... with dealers now accounting for a share of around 36.0% of used car sales.....	238
The Fiat grouping continues to command a share of almost one third of passenger car sales.....	240
Motor dealer data	241
The long decline in the number of dealership outlets reaches a trough at the end of 2004.....	241
... and Italian dealerships now rank alongside those in the UK in terms of sales efficiency.....	242
Finance and leasing - market size and growth	243
Used car finance benefits from an increase in the share of dealers of sales of second hand cars.....	243
In value terms, finance granted at the point of sale makes up almost two thirds of the market total....	245
Dealer survey - top level results	247
Average point-of-sale take-up rates in Italy are above the Europe-wide averages.....	247
Lending-based contracts account for over 80% of car finance agreements for consumers in Italy.....	248
Competitor dynamics	249
Finance / leasing: over two thirds of dealerships now use non-captive finance providers.....	249
... with a fragmented group of around 15 companies making life difficult for captive firms.....	249
The leading non-captive entities have achieved rapid growth in gross advances in recent years.....	249
... with many controlled wholly or in part by foreign banks seeking to expand in the Italian market....	249
Manufacturer relationships	251
Finance / leasing: Agos, Fidelity and Findomestic each claim a handful of manufacturer deals.....	251
Data bank	252
15.0 NETHERLANDS	254
Introduction	254
Passenger vehicle data	255
The Dutch market for both new and used car sales has stagnated in recent years.....	255
The strong performance of Daihatsu, Kia and Mitsubishi boosts the share of smaller brands.....	256
Motor dealer data	257
The number of franchised dealership outlets seems likely to dip below 3,000 during 2007.....	257
... given that the sales efficiency of Dutch dealerships lags behind the European average.....	258
Finance and leasing - market size and growth	259
Dealerships suffer most from the declining volumes for new and used car finance contracts.....	259
The fastest-growing segment within the Dutch car finance market is direct lending for used cars... .	260
... but the value of the total market slipped at an annual average of -0.6% between 2002 and 2006. .	260
Dealer survey - top level results	262
Average point-of-sale take-up rates in the Netherlands are below the Europe-wide averages.....	262
Use of leasing-based contracts by consumers in the Netherlands is fairly popular.....	263
Competitor dynamics	264
Finance / leasing: around two thirds of dealerships remain loyal to captive finance providers.....	264
... although DTC, among others, is achieving some penetration with its integrated proposition.....	264
Manufacturer relationships	266
Finance / leasing: Alcredis, Ribank and Santander Consumer Finance all claim important partners..	266
Data bank	267
16.0 NORWAY	269
Introduction	269
Passenger vehicle data	270
The share of total new passenger car sales attributable to fleet buyers has risen in recent years.....	270
The Toyota grouping challenges the Ford grouping for second position in the new car market.....	271
Motor dealer data	272
The sharp fall in the number of franchised outlets reaches its lowest point in 2003.....	272

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

... although apparently low sales efficiency is caused in part by Norway's peculiar geography	273
Finance and leasing - market size and growth	274
The volume of car sales subject to some form of finance peaked at around 279,000 in 2004.....	274
... with the value of the market having retreated slightly to around Nkr 29.50 billion by 2006	275
Dealer survey - top level results	277
Average point-of-sale take-up rates in Norway are below the Europe-wide averages	277
Lending-based products account for the majority of private car finance contracts in Norway	278
Competitor dynamics	279
Branded finance and leasing propositions face tough competition from non-captive providers.....	279
Grupo Santander's ELCON commands a market share of vehicle finance of approaching 30%.....	279
Manufacturer relationships	281
Finance / leasing: SEB and Storebrand Bank are active through joint ventures with importers.....	281
Data bank	283
17.0 POLAND	285
Introduction	285
Passenger vehicle data	286
2005 and 2006 see a continuation of the trend for huge volumes of used car imports in Poland	286
Consequently, the vast majority of consumers acquiring a car elect to purchase a used vehicle.....	286
Volkswagen commands a group market share in excess of 20.0% of the passenger car market.....	288
Motor dealer data	289
The number of franchised dealer outlets has stabilised but remains low in per capita terms.....	289
The emphasis for Poland's dealers will fall increasingly on the sale of used cars.....	290
Finance and leasing - market size and growth	291
The flood of cheap imports brings about rapid growth in the volume of vehicles financed.....	291
... albeit around 410,000 cars are likely to have been paid for in cash during 2006.....	291
Excluding fleets, the total market for passenger car finance is worth over PIZ 10 billion... ..	293
... although the overall market for consumer credit is growing at roughly twice the speed	293
Dealer survey - top level results	295
Average point-of-sale take-up rates in Poland are above the Europe-wide averages.....	295
Lending-based contracts dominate finance for individual customers.....	296
Competitor dynamics	297
Finance / leasing: numerous independent providers compete in the point-of-sale market.....	297
... with Santander Consumer Bank, in particular, having asserted itself in recent years.....	297
Manufacturer relationships	299
Finance / leasing: a significant proportion of brands continue to collaborate with multiple partners	299
Data bank	300
18.0 PORTUGAL	302
Introduction	302
Passenger vehicle data	303
The volume of used car sales in Portugal exceeds 500,000 in each of 2005 and 2006.....	303
The Volkswagen grouping claims a position of leadership in the Portuguese market.....	304
Motor dealer data	305
The number of franchised dealership outlets has begun to increase following years of decline.....	305
... in spite of the fact that they are not particularly productive in terms of average sales per outlet.....	306
Finance and leasing - market size and growth	307
Volumes in the car finance and leasing market continue to recover from the low point of 2002.....	307
... with the total market rising at an annual average of 4.8% in value terms for the period reviewed ..	308
Dealer survey - top level results	310
Average point-of-sale take-up rates in Portugal are above the Europe-wide averages.....	310
Over 50% of car finance agreements concluded with consumers are leasing-based contracts	311

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Competitor dynamics	312
Finance / leasing: captive finance providers risk being squeezed out by a host of competitors.....	312
... among which Santander Consumer Finance appears to have emerged as a market leader	312
Manufacturer relationships	314
Finance / leasing: Interbanco provides finance for Mitsubishi as well as the four Volkswagen brands	314
Data bank	315
19.0 ROMANIA	317
Introduction	317
Passenger vehicle data	318
Sales of new passenger cars surge at an average rate of growth per annum of 30.2%	318
Dacia alone accounts for well over one third of new passenger car registrations in Romania.....	319
Motor dealer data	320
Booming sales of new and used cars brings about a rapid increase in the number of sales outlets ...	320
In terms of average sales per sales outlet, Romanian dealers appear to be reasonably productive ...	321
Finance and leasing - market size and growth	322
The volume of cars financed at the point of sale surges between 2002 and 2006... ..	322
... helping the market to increase at an average annual rate of 44.7% in value terms.....	324
Dealer survey - top level results	326
Average point-of-sale take-up rates in Romania vary between new and used cars	326
Approximately six in ten consumers taking out finance opts for a leasing-based contract	327
Competitor dynamics	328
Finance / leasing: a leading trio of providers is likely to account for at least 50% of the market	328
... although rapid market growth has also attracted a long tail of secondary competitors	328
Manufacturer relationships	330
Finance / leasing: in addition to RCI Leasing, the three Renault Nissan brands also work with BRD .	330
Several manufacturer brands utilise a panel of three or more providers of finance and leasing	330
Data bank	332
20.0 RUSSIA	334
Introduction	334
Passenger vehicle data	335
Volumes of both new and used car sales make significant progress in Russia	335
The share of new car sales of national manufacturers slips from 79.7% in 2004 to 49.5% in 2006	337
Motor dealer data	338
Finance and leasing - market size and growth	339
Sales of new cars financed through dealerships increase at an average annual rate of over 60%....	339
... producing a market size comfortably in excess of RR200 billion in 2006... ..	340
... and contributing to a total market size that is over seven times greater than in 2002	340
Dealer survey - top level results	342
Average point-of-sale take-up rates in Russia are below the Europe-wide averages.....	342
Over 90% of consumer finance deals at the point of sale take the form of lending-based contracts...	343
Competitor dynamics	344
Finance / leasing: captive providers begin to make headway in the crowded point-of-sale market	344
Getin Holding's Carcade Leasing ranks among the most successful non-captive competitors	344
Manufacturer relationships	346
Finance / leasing: manufacturers and importers have begun to introduce their own services... ..	346
... with both Raiffeisen Bank and Société Générale used as external partners in this respect	346

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Introduction	350
Passenger vehicle data	351
A rapid expansion in imported vehicles causes sales of used cars to surge in 2005 and 2006.....	351
The share of new car sales of the Volkswagen grouping declined rapidly between 2004 to 2006	353
Motor dealer data	354
Over 100 new franchised dealer outlets opened over a three year period to the start of 2006.....	354
... although it is possible that this growth may be out of proportion relative to underlying demand	355
Finance and leasing - market size and growth	356
Virtually all of the growth in Slovakia's market is due to finance and leasing for used cars.....	356
Used car finance now accounts for over a third of the value of total private car finance.....	357
Slovakia's wider market for consumer credit is growing at more than twice the rate of car finance.....	357
Dealer survey - top level results	359
Average point-of-sale take-up rates in Slovakia vary between new and used cars	359
Around three out of every four consumers opt for a leasing-based car finance contract.....	360
Competitor dynamics	361
Finance / leasing: over a half of dealerships now work exclusively with captive finance providers.....	361
... although a further eight independent, foreign-owned entities are also active in this sector	361
Manufacturer relationships	363
Finance / leasing: most major brands have now introduced finance and leasing services	363
Data bank	364
22.0 SLOVENIA	366
Introduction	366
Passenger vehicle data	367
Although sales of used cars are rising, Slovenia's passenger car market is largely mature	367
The Renault Nissan grouping accounted for almost one in four new car registrations in 2006.....	368
Motor dealer data	369
The number of dealership sales outlets recovers from the low point reached in 2002.....	369
... although average sales per sales contract and sales outlet appear to be relatively low	370
Finance and leasing - market size and growth	371
Used car finance is the most attractive segment within Slovenia's private car finance market	371
... with the total market rising at an annual average of 7.3% in value terms for the period reviewed ..	372
Dealer survey - top level results	374
Average point-of-sale take-up rates in Slovenia are above the Europe-wide averages	374
Over 50% of car finance agreements concluded with consumers are leasing-based contracts	375
Competitor dynamics	376
Finance / leasing: NLB leads a pack of around ten non-captive competitors	376
Manufacturer relationships	377
Finance / leasing: Summit Leasing lays claim to the most partnerships for branded services.....	377
Data bank	379
23.0 SPAIN	381
Introduction	381
Passenger vehicle data	382
The volume of used car sales finally overtakes the number of new car sales in 2005	382
The comparative popularity of Seat makes Volkswagen the leading manufacturer group.....	383
Motor dealer data	384
Following a low point reached at the start of 2004, the number of franchised outlets has stabilised... ..	384
... with average sales per sales contract in Spain behind only the values for Bulgaria and Italy	385
Finance and leasing - market size and growth	386
The robust rate of growth of private car finance contracts in Spain is due largely to used car sales ...	386
... with the combined point-of-sale and direct market for used car finance worth some €7.42 billion..	387

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Dealer survey - top level results	389
Average point-of-sale take-up rates in Spain vary between new and used cars.....	389
Around four out of every five finance agreements can be described as lending-based contracts	390
Competitor dynamics	391
Finance / leasing: captives stage a fight back against independent finance providers... ..	391
... although Santander Consumer Finance continues to dominate non-captive provision.....	391
... and has also carved out a strong position for itself in international car finance markets.....	391
Santander Consumer Finance is seeking to optimise its expertise in distribution through dealers.....	392
... and considers that the point of sale can combat successfully the threat posed by direct lenders...	392
Manufacturer relationships	394
Finance / leasing: Santander's influence extends to the finance of Porsche and Suzuki vehicles.....	394
Data bank.....	395
24.0 SWEDEN.....	397
Introduction.....	397
Passenger vehicle data	398
Moderate growth in the market for new cars helps to offset virtually static sales of used cars.....	398
Volvo achieves more than double the sales volume of any other single brand in Sweden	399
Motor dealer data	400
Following a period of decline, the number of outlets rises by 6.9% in the year to the start of 2006... ..	400
... although measured by sales per sales outlet, dealers generate relatively low volumes.....	401
Finance and leasing - market size and growth.....	402
The number of credit agreements for purchase of new or used cars remains almost static.....	402
... although both the point of sale and direct lenders experience growth in value terms	403
Dealer survey - top level results	405
Average point-of-sale take-up rates in Sweden vary between new and used cars.....	405
Virtually all car finance organised for consumers comes in the form of lending-based contracts	406
Competitor dynamics	407
Finance / leasing: Santander emerges among the leading trio of non-captive providers in Sweden... ..	407
Manufacturer relationships	408
Finance / leasing: FCE Bank provides finance on behalf of Renault, as well as the five Ford brands.	408
Data bank.....	409
25.0 SWITZERLAND.....	411
Introduction.....	411
Passenger vehicle data	412
Sales of used cars remained virtually static in Switzerland over the 2002-6 time frame.....	412
Four manufacturer groups account for almost a half of sales of new passenger vehicles in 2006	413
Motor dealer data	414
A dull market for sales of new and used cars causes dealer sales outlet numbers to contract.....	414
... but sales per sales outlet in Switzerland remain chronically low relative to the European average	415
Finance and leasing - market size and growth.....	416
The Swiss market for car finance and leasing shows little change from one year to the next.....	416
... although it rose to more than CHF 7.5 billion in new business for the first time in 2006	417
Dealer survey - top level results	419
Average point-of-sale take-up rates in Switzerland are below the Europe-wide averages.....	419
Around four out of five car finance contracts are classifiable as leasing-based products	420
Competitor dynamics	421
Finance / leasing: the majority of dealers work exclusively with captive finance providers.....	421
... with only GE Money Bank and Credit Suisse offering particularly serious competition	421
Manufacturer relationships	423
Finance / leasing: AMAG and Emil Frey control a significant volume of car finance in Switzerland	423

Data bank	425
26.0 TURKEY	427
Introduction	427
Passenger vehicle data	428
Sales of new vehicles in Turkey fall back from the peak of 451,000 achieved in 2004	428
Renault's local manufacturing joint venture with Oyak is a key driver of its leadership position.....	429
Motor dealer data	430
Turkey registers average annual growth of 6.6% in the number of dealership sales outlets.....	430
... and average sales per sales contract and sales outlet are well ahead of the European averages.....	431
Finance and leasing - market size and growth	432
The market for private car finance advances rapidly in the wake of the recession of 2002.....	432
... with the combined point-of-sale and direct market for car finance worth some €6.75 billion	433
Dealer survey - top level results	435
Average point-of-sale take-up rates in Turkey are above the Europe-wide averages	435
Leasing is hardly ever offered as a financing option to consumers in Turkey	436
Competitor dynamics	437
Finance / leasing: over 75% of dealers collaborate with both captive and non-captive providers.....	437
Akbank, Garantibank and İşbank emerge as the leading non-captive partners used by dealers	437
Manufacturer relationships	439
Finance / leasing: a majority of brands collaborate with a panel of banking institutions.....	439
... although Volkswagen Doğu Finans is the main partner of Volkswagen grouping brands	439
Data bank	441
27.0 UKRAINE	443
Introduction	443
Passenger vehicle data	444
Sales of new passenger cars in the Ukraine surge to over 370,000 in 2006.....	444
Brands distributed by UkrAVTO Corporation dominate the market for new car sales	445
Motor dealer data	446
Finance and leasing - market size and growth	447
Point-of-sale finance is dominated by finance for new cars as opposed to used cars... ..	447
... although a majority of purchases of new and used cars continue to be financed by cash only	447
Finance provided at the point of sale is growing at an average rate per annum of over 100%.....	449
... helping the total market for car finance to advance in line with non-mortgage credit as a whole	449
Dealer survey - top level results	451
Average point-of-sale take-up rates in Ukraine vary between new and used cars	451
Leasing is rarely used as a means of automotive finance in Ukraine	452
Competitor dynamics	453
Finance / leasing: over a half of dealerships work with both captive and non-captive partners	453
OTP Bank and Ukrsibbank are the leading providers in an otherwise fragmented market	453
Manufacturer relationships	455
Finance / leasing: official finance programs have been organised for a majority of car brands	455
Data bank	457
28.0 UNITED KINGDOM	459
Introduction	459
Passenger vehicle data	460
Falling sales of new cars to consumers bring about a contraction in the overall market... ..	460
... with used car sales also having diminished at an average annual rate of -0.4% since 2002	460
Solid sales of brands within the Ford grouping help to preserve its market leader status	462

AUTOMOTIVE FINANCE AND LEASING FOR CONSUMERS IN EUROPE

Motor dealer data	463
The shrinkage in franchised dealership sales outlets in the UK is comparatively modest.....	463
... as the sector continues to achieve average sales per outlet far ahead of the European average ..	464
Finance and leasing - market size and growth	465
In terms of its number of contracts, the UK's private car finance has declined in recent years.....	465
... a finding that is corroborated by statistics depicting the experience of the FLA's members	465
In terms of its aggregate value, the market's decline has been less precipitous.....	467
... although the broader consumer credit sector continues to outperform motor finance	467
Dealer survey - top level results	469
Average point-of-sale take-up rates in the UK vary between new and used cars.....	469
Point-of-sale finance for consumers in the UK is oriented strongly towards lending-based contracts .	470
Competitor dynamics	471
Finance / leasing: only 15% of dealers work exclusively with captive finance providers	471
A variety of non-captive finance and leasing firms provide competition to the leading trio	471
Manufacturer relationships	473
Finance / leasing: several joint ventures have been discontinued or are being wound down	473
Data bank	475
