<b>0.0 EXECUTIVE SUMMARY</b> .....	<b>2</b>
The research is based on a survey of 660 major retail brands across ten countries.....	2
A significant proportion of retail chains in Greece and Bulgaria offer their own payment cards.....	2
... with high penetration among fuel retailers largely due to widespread provision of fuel cards.....	2
Over a third of retailer payment card initiatives are classifiable as private label programs.....	3
Captive card issuers are particularly widespread in the successor states of the former Yugoslavia...	3
Most proprietary retailer loyalty cards have not yet been converted into payment cards.....	3
... although payment cards based around coalition loyalty schemes are highly popular in Turkey....	4
The provision of point-of-sale consumer finance is concentrated primarily in certain retail sectors....	4
Few genuine captive or joint venture retailer banking subsidiaries exist in the region.....	4
Retailer involvement in the distribution of mainstream insurance policies remains limited.....	5
The global recession has severely affected retail sales in the region.....	5
... but retailer payment cards should be an area of growth as economies recover.....	5
In most countries, the potential of coalition loyalty schemes is largely untapped.....	6
...while the expansion of international retailers creates room for new partnerships.....	6
Rationale.....	8
Retailer financial services can be broken down between 'traditional' and 'non-traditional' services....	8
Retailers can take advantage of changes in consumer finance and payment card markets.....	8
Consolidation among conventional banks provides justification for the entry of retailer banks.....	8
The evolution of the retailing market itself is also favourable to the integration of financial services...	9
<b>1.0 INTRODUCTION</b> .....	<b>9</b>
<b>Methodology</b> .....	<b>9</b>
Finaccord's research covers 660 major retail brands across Eastern and South-Eastern Europe.....	9
<b>Product definitions</b> .....	<b>11</b>
Coverage of payment cards includes credit, deferred debit, debit and rechargeable pre-paid cards	11
Proprietary and coalition loyalty programs are present in a variety of different formats.....	11
The involvement of retail chains in the distribution of consumer credit is also considered.....	11
... as is their activity as distributors of mainstream consumer insurance products.....	11

<b>2.0 REGIONAL OVERVIEW</b> .....	<b>15</b>
<b>Introduction</b> .....	<b>15</b>
<b>Retailer payment cards</b> .....	<b>16</b>
Retailers in Greece and Romania are most likely to have launched their own payment card.....	16
About two thirds of major fuel retailing chains have introduced their own payment card.....	17
Most fuel retailers in the region continue to focus on offering traditional fuel cards only.....	18
Most retailer payment cards in Eastern and South-Eastern Europe are credit cards.....	20
Most retailers operate payment cards either through captive entities or a single, external partner...22	22
Almost a quarter of retailer payment cards in the region are linked to the Visa network.....	25
In a few countries, a proportion of retailer cards carry the American Express or Diners Club brands...	26
.....	26
Among the issuers there are no clear market leaders across Eastern and South-Eastern Europe..28	28
<b>Proprietary retailer loyalty programs</b> .....	<b>29</b>
In relative terms, proprietary loyalty schemes are most widespread in Ukraine and Bulgaria.....	29
Proprietary loyalty programs are most widespread among fuel, DIY and cash and carry retailers...30	30
