0.0 EXECUTIVE SUMMARY	1
1.0 INTRODUCTION	3
What is this report about?	3
Rationale.....	3
<i>This report updates and expands upon Finaccord's previous ground-breaking research.....</i>	3
Methodology	3
Primary research.....	3
<i>The survey includes close to 150 actual and potential distributors of home emergency cover.....</i>	3
External sources	4
Definitions	4
Terms and abbreviations.....	4
Operating models	5
Currencies and inflation.....	6
PartnerBASE	6
Finaccord.....	6
2.0 MARKET ANALYSIS	8
Introduction	8
Dwelling stock.....	8
<i>There are around 30 million occupied dwellings in the UK... ..</i>	8
<i>...and nearly two thirds of these are lived in by the owner of the property.....</i>	8
Distribution through key partner organisations	10
Summary of organisations researched.....	10
Provision rates	11
<i>Six of the UK's energy suppliers offer one or more types of optional home emergency cover</i>	11
<i>The availability of all types of home emergency cover is generally higher among water companies</i>	11
<i>A majority of household and landlord insurance brands offer home emergency cover as an optional upgrade</i>	12
<i>A number of manufacturers of air conditioning units and boilers offer related extended warranty cover.....</i>	12
Operating models	16
<i>The vast majority of distributors in the UK work with external assistance providers</i>	16
<i>...albeit some utilise captives or have internally-managed schemes.....</i>	16
Partnerships with energy companies.....	17
<i>Eight providers are active in this distribution channel.....</i>	17
Partnerships with water companies	18
<i>The duo of HomeServe and Aviva holds the majority of contracts with water suppliers</i>	18
<i>... albeit SES Home Services (working with DAS) is also present.....</i>	19
Partnerships with household / landlord insurance brands.....	19
<i>AXA Assistance is the leading partner among household and landlord insurers.....</i>	19
<i>... followed by the duo of ARAG and Brit Insurance</i>	20
<i>... and a long tail of other competitors, some of which are significant.....</i>	20
<i>Five underwriters operate their own home emergency schemes.....</i>	20
Partnerships with boiler / air conditioning manufacturers	21
<i>Domestic & General is the only external partner active in this sphere</i>	21
Other distribution channels	22
Direct sales.....	22
<i>More than 20 competitors market home emergency cover directly (or as tied agents) to consumers</i>	22
Online aggregators and other online brands.....	23

HOME EMERGENCY INSURANCE AND ASSISTANCE IN THE UK

... and stand-alone cover can also be acquired from a range of intermediaries.....	23
Payment cards and bank accounts	23
<i>A handful of added value bank accounts include home emergency cover.....</i>	<i>23</i>
Automotive clubs.....	24
<i>Both the AA and the RAC are important insurance brands in their own right.....</i>	<i>24</i>
Other types of distributor	24
<i>Other schemes for stand-alone cover include ones with energy price comparison sites and trade unions</i>	<i>24</i>
Smart homes and the 'Internet of Things'	25
<i>Neos focuses specifically on smart household insurance solutions.....</i>	<i>25</i>
Market size and growth.....	25
<i>The market value has been growing at a nominal compound annual rate of over 4%.....</i>	<i>25</i>
<i>Multi-risk cover accounts for more than 40% of the total number of policies in force... ..</i>	<i>27</i>
<i>... but a little more than 30% of the market by value.....</i>	<i>28</i>
<i>Distribution via household and landlord insurers accounts for less than 15% of the market value.....</i>	<i>28</i>
Leading competitors.....	31
<i>British Gas Insurance and HomeServe (working with Aviva) are the market leaders... ..</i>	<i>31</i>
<i>... and the competition fragments quite rapidly thereafter.....</i>	<i>31</i>
Market forecast.....	33
<i>The value of cover for landlords is expected to continue to outgrow the value of cover for ordinary homes.....</i>	<i>33</i>
